**Selling Online 2.0** Michael Miller, 2009 Unfortunately, recent changes at eBay have made online auctions less reliable and profitable. So where can you sell when you can't sell on eBay? Online auctions are the past; fixed-price selling is the future. It's time to move beyond eBay and first-generation online selling and start Selling Online 2.0. Second generation online selling means migrating from eBay to other online marketplaces, including craigslist, Amazon, and your own e-commerce website. You'll need to make some new plans, learn some new skills, and change some of the things you do--but you'll find that there's more money to be.

**New Bathroom Idea Book** Jamie Gold, 2017 The bathroom today is getting more attention than ever from homeowners, as they realize its value as a personal retreat and resale enhancer. Gone are the days of garish tile and fuzzy toilet seat covers: now, bathrooms are as much about taste and style as the rest of the house. People want them to be both beautiful and functional, and manufacturers have responded with many more choices in materials and fixtures. This book covers them all, with ideas for tiny half-baths, medium-size his-and-hers, and large, luxurious home spas. Specifics on ventilation, waterproofing, faucets, showers, tubs, and more give readers the knowledge they need to create the bathroom they've always wanted. Taunton's New Bathroom Idea Book gives homeowners hundreds of ideas about how to make one of the most necessary rooms in the house one of the most enjoyable.--Publisher description
