*2008 CCH Accounting for Derivatives and Hedging* James F. Green,2007 CCH Accounting for Derivatives and Hedging offers professionals comprehensive guidance for applying the intricate and expansive requirements of FASB Statement No. 133, Accounting for Derivative Instruments and Hedging Activities, and its amendments. Since its issuance, the FASB has amended and interpreted Statement 133 numerous times, making the accounting guidance for derivatives and hedging activities one of the most complex and frequently misunderstood accounting principles used in business today. CCH Accounting for Derivatives and Hedging helps users identify the nuances of accounting for these types of activities and provides practical guidance on how to apply these principles to typical situations currently encountered in practice in numerous types of transactions, including: fair value hedges; interest-rate swaps; cash flow hedges; embedded derivative instruments; net investment hedges; and disclosures. This expansive guide provides professionals with a practical resource by selectively combining information from the official text of the FASB, along with information drawn from the rules and releases of the SEC, consensuses of the EITF, and lessons learned from leading practitioners in the field.

*Swap* ,2009 Detectives Price and McKeon are called to the scene -- a husband and wife found slumped in their car, parked sideways on a busy downtown on-ramp, a bullet in each of their heads. That's what's in the papers, and that's all the public sees. Toronto the Good, with occasional specks of random badness. But behind that disposable headline, Toronto's shadow city sprawls outwards, a grasping and vicious economy of drugs, guns, sex, and gold bullion. And that shadow city feels just like home for Get -- a Detroit boy, project-raised, ex-army, Iraq and Afghanistan, only signed up for the business opportunities, plenty of them over there. Now he's back, and he's been sent up here by his family to sell guns to Toronto's fast-rising biker gangs, maybe even see about a partnership. The man Get needs to talk to is Nugs, leader of the Saints of Hell. Nugs is overseeing unprecedented progress, taking the club national, uniting bikers coast-to-coast (by force if necessary), pushing back against the Italians, and introducing a veneer of respectability. Beards trimmed to goatees, golf shirts instead of leather jackets, and SUVs replacing the bikes. And now the cops can't tell the difference between bikers and bankers. Detectives Price and McKeon? All they can do is watch and grimace and drink, and sweep up the detritus left in crime's wake -- dead hookers, cops corrupted and discarded, anyone else too slow and weak to keep up, or too stupid not to get out of the way. This is Toronto's shadow city, and you won't recognize it. Canada's answer to Elmore Leonard is going places . . . -- Toronto Star.
