Sweet Dreams #1 Joel Thompson, 1989 Eight exciting character building stories written in a contemporary style to meet the thoughts and challenges of children in today's society.

Land of Sweet Dreams Samantha J. Christmas, 2008-08 Land of Sweet Dreams was born out of the author's need to get her little boys to sleep. It is written with the hope that it will help parents the world over to address the age old nightly challenge: how do I get my little ones to sleep'. For most of us, the bedtime routine is the same: bath, supper, prayer, a bedtime story, and a goodnight kiss. Sweet dreams is usually the last thing said before they go to sleep. The author decided to take those words literally. After frequent failed attempts to get her boys to sleep, the author took a path that appealed to the boys' colorful imaginations, and their love of mouthwatering treats. With the author's creativity, and the boys love of everything sweet, land of sweet dreams came to life. This is a land that kids are happy to visit in their dreams and parents are happy is only a dream. This adventure is sure to encourage any child to close his eyes and drift off into this whimsical dreamland. Once asleep, this land comes to life with vivid colors, and the most delightful sweets, such as, cotton candy, ice cream, candy canes, candied apples, marshmallows, muffins, and other treats. The boys depicted in this story not only visit this land, but they also fly through the sky enjoying the dazzling colors below. It is the hope of the author that kids and parents will look forward to bedtime: kids will use their imagination to create their own land of sweet dreams, and parents will encourage their little ones to close their eyes and drift off into this magical land. Finally, a note to parents: you are never too old to dream, so join in the fun, it's only a dream.

Sweet Dreams Jewel, 2013-09-17 "The award-winning singer has taken one of her songs and created a gorgeous picture book" raved School Library Journal about Jewel's first picture book, That's What I'd Do. In Sweet Dreams, a mother's soothing lullaby opens the door to an imagined adventure for her sleeping child. Amy June Bates's luminous illustrations capture the beautiful world of dreams that every mother wishes for her child. The pair rows through the indigo night sky and catches shimmering stars in their silver net. Cascading clouds spill from the Big Dipper, drawing them along their night journey.
