My Year of Rest and Relaxation Ottessa Moshfegh,2018-07-10 From one of our boldest, most celebrated new literary voices, a novel about a young woman's efforts to duck the ills of the world by embarking on an extended hibernation with the help of one of the worst psychiatrists in the annals of literature and the battery of medicines she prescribes Our narrator should be happy, shouldn't she? She's young, thin, pretty, a recent Columbia graduate, works an easy job at a hip art gallery, lives in an apartment on the Upper East Side of Manhattan paid for, like the rest of her needs, by her inheritance. But there is a dark and vacuous hole in her heart, and it isn't just the loss of her parents, or the way her Wall Street boyfriend treats her, or her sadomasochistic relationship with her best friend, Reva. It's the year 2000 in a city aglitter with wealth and possibility; what could be so terribly wrong? *My Year of Rest and Relaxation* is a powerful answer to that question. Through the story of a year spent under the influence of a truly mad combination of drugs designed to heal our heroine from her alienation from this world, Moshfegh shows us how reasonable, even necessary, alienation can be. Both tender and blackly funny, merciless and compassionate, it is a showcase for the gifts of one of our major writers working at the height of her powers.

**GraceLaced** Ruth Chou Simons,2017-09-01 2018 Christian Book Award® This Journey Is as Perennial as the Seasons *GraceLaced* is about more than pretty florals and fanciful brushwork—it's about flourishing. With carefully crafted intention, this beautiful volume of 32 seasonal devotions from artist and author Ruth Chou Simons encourages readers in any circumstance to become deeply rooted in God's faithful promises. *GraceLaced* extends a soul-stirring invitation to draw close to God while... resting in who He is rehearsing the truth He says about you responding in faith to those truths remembering His provision to sustain you, time and time again More than 800 individual pieces of art came together in the crafting of this book, including dozens of new, hand-painted Scripture vignettes that Ruth is known for. Who we are and who God is never changes, even though everything else rarely stays the same. Let this book point you to truth as you journey through the changing seasons of your heart.

**A Tale Dark & Grimm** Adam Gidwitz,2010-10-28 In this mischievous and utterly original debut, Hansel and Gretel walk out of their own story and into eight other classic Grimm-inspired tales. As readers follow the siblings through a forest brimming with menacing foes, they learn the true story behind (and beyond) the bread crumbs, edible houses, and outwitted witches. Fairy tales have never been more irreverent or subversive as Hansel and Gretel learn to take charge of their destinies and become the clever architects of their own happily ever after.

**The Very Hungry Caterpillar** Eric Carle,2016-11-22 The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! **Alternative Baker** Alanna Taylor-Tobin, 2016-09-13 While most gluten-free baking cookbooks simply replace all-purpose wheat flour, usually with white rice, tapioca and potato flours, this book celebrates the wide array of grains, nuts and seeds that add unique texture and flavor to desserts. Recipes oust hard-to-find gums, such as guar and xanthan, and minimise starches, such as corn, tapioca and potato. *Alternative Baker* highlights lesser-known flours such as millet, oat, buckwheat, chestnut, sorghum and mesquite. These flours provide recipe with superior texture, flavor and nutritional value to boot. *Alternative Baker* features fruit-based recipes that range from breakfast breads to pies, tarts, crisps, cobblers, cakes, custards and small treats like cookies and bars. Examples include Cranberry Millet Scones with Vanilla Bean Glaze; Buckwheat, Pear & Walnut Galettes with Salty Honey Caramel; Salty Caramel & Banana Cream Tarts in a Mesquite Crust and Maple Bourbon Peach Cobbler with Brown Butter Biscuits. In addition, the book includes recipes for basics like sauces and accompaniments. Author Alanna Taylor-Tobin is a classically trained pastry chef who has been developing recipes and techniques for her own gluten sensitivity for more than a decade. Her love of alternative, unrefined flours, sweeteners and organic produce is a product of her upbringing by health-nut hippie parents.

**The Virtue of Selfishness** Ayn Rand, 1964-11-01 A collection of essays that sets forth the moral principles of Objectivism, Ayn Rand's controversial, groundbreaking philosophy. Since their initial publication, Rand's fictional works—*Anthem*, *The Fountainhead*, and *Atlas Shrugged*—have had a

major impact on the intellectual scene. The underlying theme of her famous novels is her philosophy, a new morality—the ethics of rational self-interest—that offers a robust challenge to altruist-collectivist thought. Known as Objectivism, her divisive philosophy holds human life—the life proper to a rational being—as the standard of moral values and regards altruism as incompatible with man's nature. In this series of essays, Rand asks why man needs morality in the first place, and arrives at an answer that redefines a new code of ethics based on the virtue of selfishness. *Spoon Fed* Kim Severson, 2011-03-01 A memoir sharing a lifetime's worth of lessons from a generation female cooks. Somewhere between the lessons her mother taught her and the ones she is now trying to teach her own daughter, Kim Severson stumbled. She lost sight of what mattered, of who she was and who she wanted to be, and of how she needed to live her life. It took a series of encounters with female cooks—including Marion Cunningham, Alice Waters, Ruth Reichl, Rachael Ray, and Marcella Hazan—to reteach her the life lessons she had forgotten, and many she had never learned in the first place. Some were as small as a spoonful, and others so big they saved her life—at any measure, the best lessons she found were delivered in the kitchen.
