*Founders at Work* Jessica Livingston, 2008-11-01 Now available in paperback—with a new preface and interview with Jessica Livingston about Y Combinator! *Founders at Work: Stories of Startups' Early Days* is a collection of interviews with founders of famous technology companies about what happened in the very earliest days. These people are celebrities now. What was it like when they were just a couple friends with an idea? Founders like Steve Wozniak (Apple), Caterina Fake (Flickr), Mitch Kapor (Lotus), Max Levchin (PayPal), and Sabeer Bhatia (Hotmail) tell you in their own words about their surprising and often very funny discoveries as they learned how to build a company. Where did they get the ideas that made them rich? How did they convince investors to back them? What went wrong, and how did they recover? Nearly all technical people have thought of one day starting or working for a startup. For them, this book is the closest you can come to being a fly on the wall at a successful startup, to learn how it's done. But ultimately these interviews are required reading for anyone who wants to understand business, because startups are business reduced to its essence. The reason their founders become rich is that startups do what businesses do—create value—more intensively than almost any other part of the economy. How? What are the secrets that make successful startups so insanely productive? Read this book, and let the founders themselves tell you.

*Crowned with Glory* Thomas Holland, 2000-12 *Crowned With Glory* is an insightful look at the history of the Traditional Text and its impact on the crown jewel of English translations, the Authorized Version. Approaching the issue from a scriptural and scholarly perspective, Dr. Holland explores the science of textual criticism in light of biblical preservation. From the rich history of the early English versions to the modern discovery of the Dead Sea Scrolls, this book takes the reader on a captivating journey through the translation and transmission of Scripture. Differences between the Traditional and Critical Texts are examined, mistranslations and debated passages are explained, corrupting forces in the transmission of Scripture are exposed, and the testimonies and sacrifices that paved the way for the Authorized Version are exalted. Regardless of one's view on this controversial issue, *Crowned With Glory* is a must-read for the scholar, pastor, or layperson who seeks a greater understanding of the translational debate.
