**The Strange Hours Travelers Keep** August Kleinzahler,2014-09-09 Those aren't stars, darling That's your nervous system Nanna didn't take you to planetariums like this --from Hyper-Berceive: 3 A.M. August Kleinzahler's new poems stretch and go places he has never gone before: they have his signature high color and rhythmic jump, but they take on a breadth of voice and achieve registers that his earlier work only hinted at. Surprise after surprise, nothing seems to lie outside Kleinzahler's purview. This is the strongest collection to date from a poet with the vision and confident skill to make American poetry new (Clive Wilmer, The Times [London]).
