Never Too Small Joe Beath,Elizabeth Price,2023-04-19 Joel Beath and Elizabeth Price explore this question drawing inspiration from a diverse collection of apartment designs, all smaller than 50m2/540ft2. Through the lens of five small-footprint design principles and drawing on architectural images and detailed floor plans, the authors examine how architects and designers are reimagining small space living. Full of inspiration we can each apply to our own spaces, this is a book that offers hope and inspiration for a future of our cities and their citizens in which sustainability and style, comfort and affordability can co-exist. Never Too Small proves living better doesn't have to mean living larger.

Amber Rachel King,2022-08-29 Spanning centuries and continents, a beautifully illustrated history of humanity's enduring enthrallment with a seemingly banal substance: petrified tree sap, or amber. Amber: From Antiquity to Eternity is a history of human engagement with amber across three millennia. The book vividly describes our conceptions, stories, and political and scholarly disputes about amber, as well as issues of national and personal identity, religion, art, literature, music, and science. Rachel King rewrites amber's history for the twenty-first century, tackling thorny ethical and moral questions regarding humanity's relationship with amber in the past, as well our connection with it today. With the Earth facing unprecedented challenges, amber--the natural time capsule, and preserver of key information about the planet's evolutionary history--promises to offer invaluable insights into what comes next.

Love Means... No Boundaries Andrew Grey,2010-02-11 Joey Sutherland has found a home with Geoff Laughton and his partner, Eli, living and working at the farm that has become a refuge after a motorcycle accident left him with a scarred face and a lot of insecurities. When Geoff's sister Mari convinces them to take in a musician from the National Youth Symphony, Joey is reluctantly roped into picking him up, already anticipating the disgust he'll see on the man's face. But Robert Edward Jameson surprises him: he's outgoing and friendly, he's willing to try just about anything around the farm, and he's blind. Joey and Robbie become inseparable and discover the beginnings of love. Joey can only hope Robbie will take a chance on love and escape the boundaries that have shaped his sightless life.

The Clancys of Queens Tara Clancy,2016 Clancy's memoir is not merely an authentic coming-of-age tale or a rowdy barstool biography. Chockfull of characters who escape the popular imaginings of this city, it offers a bold portrait of real people, people whose stories are largely absent from our shelves. Most crucially, it captures ... rarely-heard voices of New York's working-class women--Amazon.com.

Educated Tara Westover,2018-02-20 #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover’s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library
