The Strongest Steel Scarlett Cole, 2015-07-07 In Scarlett Cole's *The Strongest Steel*, Harper Connelly never expected to find herself outside of a tattoo parlor at one in the morning. The scars that decorate her back are just one more reminder of things she'd rather forget, the past she wants to leave far behind her, but before she can move on, she needs him. Tattoo artist Trent Andrews has his own reasons for specializing in inking over scars. And there's no way in hell he's going to turn Harper away. Not when a swirling mix of tenderness and desire slams into him every time he sees her. She stirs feelings in him he thought were long gone... if he can only get past her carefully constructed defenses. As each session at Second Circle Tattoos gives Harper new ink to cover up old demons, it brings her closer and closer to Trent. His lingering touches seduce her, making her believe in a life without fear, where she can be happy, whole, in love. But when cryptic messages start appearing on Harper's phone, strange deliveries arrive at her door, and Second Circle is vandalized, Harper is convinced that her ex-boyfriend has tracked her down, and worse, that he knows about Trent. She ran from her past once before; this time will she have the strength to fight back? This book gave me so many feels! Angst, passion, and love all set in Miami, my favorite city. I can't wait for more from this author and I can't recommend this book enough. - Sidney Halston, USA Today bestselling author of *Against the Cage* An incredible story about healing, pain, and trust...you don't want to miss this one! --New York Times bestselling author Jen McLaughlin

Sugar and Skulls LM Terry, 2020-08-17 Sugar and Skulls Jesse When I was ten I was a naïve, shy girl. A girl who dreamed of sunsets and roller skates. Until my grandparents died. Then I found myself alone in the world. One bad thing after another seemed to find me but I dealt. I dealt because a man with a black leather jacket and ink from head to toe told me how to survive this world. He told me sometimes you have to get mean. And so, I embraced my mean. I hated it at first but as time went on being mean became second nature. I rule my world, staying ahead, never stopping. You won't find anyone like me. I'm Jesse Miller and I'm one of a kind. I'm fine on my own. Fine. Perfect. Good. Until, I'm not. Dirk When I found Jesse at ten years old she was cute as a button and sweet as a jar of honey. I gave her a bit of advice to survive this world. I hated to be cynical, but she was in the foster care system. She needed to learn a little mean, otherwise she would be eaten alive. Now, I've found her again and believe me, Jesse Miller isn't a little girl anymore. Seems she took my advice to heart. I may have created a monster. She's a dark-haired vixen with a wicked mind and sharp tongue. Jesse is very, very enticing. She thinks she can do it on her own. She doesn't have to. She has a family. A tribe. Me. She has me. Sugar and Skulls is a stand-alone novel. It is a dark romance, but I promise it does have a HEA. There is no cheating in this novel. It does contain dark content, including, but not limited to profanity, sexual abuse, and violence. It could possibly have triggers for some individuals.

Suspenseful fun. ~ Kirkus Reviews This fun and outrageous mystery is a perfect mix of humor and horror that will have readers laughing while they try to figure out 'whodunit.' ~ School Library Journal I absolutely adore this series and these characters... it's smart, funny and full of heart. ~ The Book Life Rating: This book does not contain any scenes with graphic gore, violence, or sexual content. Its rating would be similar to a PG13 movie or Hallmark Channel mystery. Color for Science, Art and Technology Kurt Nassau, 1997-12-18 The aim of this book is to assemble a series of chapters, written by experts in their fields, covering the basics of color - and then some more. In this way, readers are supplied with almost anything they want to know about color outside their own area of expertise. Thus, the color measurement expert, as well as the general reader, can find here information on the perception, causes, and uses of color. For the artist there are details on the causes, measurement, perception, and reproduction of color. Within each chapter, authors were requested to indicate directions of future efforts, where applicable. One might reasonably expect that all would have been learned about color in the more than three hundred years since Newton established the fundamentals of color science. This is not true because: • the measurement of color still has unresolved complexities (Chapter 2) • many of the fine details of color vision remain unknown (Chapter 3) • every few decades a new movement in art discovers original ways to use new pigments, and dyes continue to be discovered (Chapter 5) • the philosophical approach to color has not yet crystallized (Chapter 7) • new pigments and dyes continue to be discovered (Chapters 10 and 11) • the study of the biological and therapeutic effects of color is still in its infancy (Chapter 2). Color continues to develop towards maturity and the editor believes that there is much common ground between the sciences and the arts and that color is a major connecting bridge.

Boarded by Love Toni Aleo, 2014-08-19 From New York Times and USA Today bestselling author, Toni Aleo, comes a spin off series from the *Assassins: The Bellevue Bullies!* Jude Sinclair here, hockey player for the Bellevue Bullies and lover of all ladies. Hockey's in my blood, and not to sound full of myself, but I'm good at it...really good. The draft is within my reach-it's mine to take-but that's not the only reason people know my name. They know me because of my way with women. They know the score, and I aim to please. I just tend to stay away from repeat performances. In other words, I don't do relationships beyond my family and friends. I'm happy with life. However, I should warn you that my story and how I see it playing out is about to change due to a certain redhead on campus. She's beautiful. Stunning. Breathtaking. She's my game changer. *** He's trouble from the moment I see him. I don't know what I'm thinking, but from the moment I meet his gaze, I'm his. It's a scary feeling. I've never trusted anyone outside my aunt and uncle-and even that took months. I didn't have it easy growing up. My mom was usually strung out, and she didn't give me a second thought. Drugs and the men who paid her were more important to her. It was horrible, but I'm stronger today. Because of my past, security is what I need most. Money assures me that I can take care of myself today, tomorrow, and next month. I don't want to ever be hungry or go without again, so I work hard for every penny. Oh, by the way, I'm Claire Anderson. I'm a hard-studying sophomore at the University of Bellevue, dancer for the school dance team, and a burlesque dancer at a club, but that's my secret. You may think you know how our story ends, but you have no clue. It's not easy falling in love... or living happily ever after. At first it may seem so, but when is anything worth having ever won without a fight? Especially when you're boarded by love.
