**The Great Mosque of Damascus** Finbarr Flood, 2021-07-26 Focussing on the Great Mosque of Damascus, this volume discusses the scope and significance of the building campaign undertaken by the Umayyad caliph al-Walid b. 'Abd al-Malik (86-96/705-15), and its implications for the development of early Islamic visual culture.

**Temple of Presence** Andrea L. Robinson, 2019-01-11 In Revelation 21-22, John offered a resplendent portrayal of a new Jerusalem without a temple, in which he seemed to reference the final chapters of Ezekiel. The puzzling issue for interpreters is why John chose to utilize Ezekiel's temple vision if he wanted to dispense with the temple. Andrea Robinson delves into the complex relationship between these two visions of heaven and earth, examining parallels between Revelation 21-22 and Ezekiel 40-48. In the process, Robinson also explores a variety of apocalyptic works from the Second Temple period to determine the tenor of thought in regard to the concepts of the temple and the messiah in John's day. Ultimately, she helps readers understand how John utilizes Ezekiel's imagery to portray Jesus Christ as the eschatological temple--the place where heaven and earth unite. By uncovering how original hearers would have understood John's visions, Robinson's insightful study helps modern readers appropriate the same hope of a glorious future with the Messiah.

**Jewels, Jewelry, and Other Shiny Things in the Buddhist Imaginary** Vanessa R. Sasson, 2021-09-30 Renunciation is a core value in the Buddhist tradition, but Buddhism is not necessarily austere. Jewels—along with heavenly flowers, rays of rainbow light, and dazzling deities—shape the literature and the material reality of the tradition. They decorate temples, fill reliquaries, are used as metaphors, and sprout out of imagined Buddha fields. Moreover, jewels reflect a particular type of currency often used to make the Buddhist world go round: merit in exchange for wealth. Regardless of whether the Buddhist community has theoretically transcended the need for them or not, jewels—and the paradox they represent—are everywhere. Scholarship has often looked past this splendor, favoring the theory of renunciation instead, but in this volume, scholars from a wide range of disciplines consider the role jewels play in the Buddhist imaginary, putting them front and center for the first time. Following an introduction that relates the colorful story of the Emerald Buddha, one of the most famous jewels in the world, chapters explore the function of jewels as personal identifiers in Buddhist and other Indian religious traditions; Buddhaghosa's commentary on the Jewel Sutta; the paradox of the Buddha's bejeweled status before and after renunciation; and the connection in early Buddhism between jewels, magnificence, and virtue. The Newars of Nepal are the focus of a chapter that looks at their gemology and associations between gems and celestial deities. Contributors analyze the Fifth Dalai Lama's reliquary, known as the "sole ornament of the world"; the transformation of relic jewels into precious substances and their connection to the Piprahwa stupa in Northern India and the Nanjing Porcelain Pagoda. Final chapters offer detailed studies of ritual engagement with the deity known as Wish-Fulfilling Jewel Avalokiteśvara and its role in the new Japanese lay Buddhist religious movement Shinnyo-en. Engaging and accessible, *Jewels, Jewelry, and Other Shiny Things in the Buddhist Imaginary* will provide readers with an opportunity to look beyond a common misconception about Buddhism and bring its lived tradition into wider discussion.

*The Kābôd of Yhwh in the Old Testament* P. de Vries, 2015-11-24 The peculiarity of Ezekiel is that kābôd is used almost exclusively as a hypostasis of YHWH. This study highlights the dual and paradoxical nature of the divine kābôd as both defying verbal description and being potentially visible.

Spiritual Complaint Miriam J Bier, Tim Bulkeley, 2014-01-30 Every life, and every land and people, has reasons for lament and complaint. This collection of essays explores the biblical foundations and the contemporary resonances of lament literature. This new work presents a variety of responses to tragedy and a world out of joint are explored. These responses arise from Scripture, from within the liturgy of the church, and from beyond the church; in contemporary life (the racially conflicted land of Aotearoa- New Zealand, secular music concerts and cyber-space). The book thus reflects upon theological and pastoral handling of such experience, as it bridges these different worlds. It brings together in conversation specialists from different fields of academy and church to provide a resource for integrating faith and scholarship in dark places.

**Alchemy** Temple St. Clair, 2008-10-14 An exquisite look into the art of fine jewelry making, through the eyes of famed designer Temple St. Clair A Southern girl with a nomadic spirit and a voracious appetite for history and culture, Temple St. Clair grew up spending summer vacations in

Morocco and Bavaria, studied at an international boarding school in Switzerland, and went night diving in Honduras with the son of Jacques Cousteau. In her early twenties, St. Clair landed in Florence, where she completed a master's in Italian literature. In fact, she had no exposure to jewelry making until her visiting mother bought an ancient coin and asked St. Clair to commission a local goldsmith to make a piece of jewelry around it. Armed with the coin and a sketch, St. Clair entered the ancient Palazzo dell'Orafo of Florentine goldsmiths, where she first discovered the centuries-old art of fine Italian jewelry making. Inspired by the distinctive craftsmanship, St. Clair continued to work with artisans to bring her designs to life. A new world soon began to open up to her—a world that engaged her multicultural education, vast experiences, and rich curiosity; a world that awarded her with a new identity as an amateur anthropologist, a hopeless hunter and gatherer, a bit of a wanderer, and a self-made jewelry historian who loves to dream and draw. With an artist's eye for detail and an unwavering esteem for the historic, St. Clair creates one-of-a-kind pieces that combine ancient influences with traditional craftsmanship and contemporary flair. In *Alchemy*, she takes readers on an idiosyncratic excursion into the intricate history and craft of jewelry making—from the ancient origins of talismans and charms, to the complicated pursuit of the perfect gemstone—all through the lens of her own fascinating experiences. The result is a mesmerizing and visually stunning book that will appeal to jewelry lovers, artistic dreamers, and anyone who suffers from wanderlust.
