**Screening Enlightenment** Hiroshi Kitamura,2017-03-31 During the six-and-a-half-year occupation of Japan (1945–1952), U.S. film studios—in close coordination with Douglas MacArthur's Supreme Command for the Allied Powers—launched an ambitious campaign to extend their power and influence in a historically rich but challenging film market. In this far-reaching enlightenment campaign, Hollywood studios disseminated more than six hundred films to theaters, earned significant profits, and showcased the American way of life as a political, social, and cultural model for the war-shattered Japanese population. In Screening Enlightenment, Hiroshi Kitamura shows how this expansive attempt at cultural globalization helped transform Japan into one of Hollywood's key markets. He also demonstrates the prominent role American cinema played in the reeducation and reorientation of the Japanese on behalf of the U.S. government. According to Kitamura, Hollywood achieved widespread results by turning to the support of U.S. government and military authorities, which offered privileged deals to American movies while rigorously controlling Japanese and other cinematic products. The presentation of American ideas and values as an emblem of culture, democracy, and sophistication also allowed the U.S. film industry to expand. However, the studios' efforts would not have been nearly as extensive without the Japanese intermediaries and consumers who interestingly served as the program's best publicists. Drawing on a wide range of sources, from studio memos and official documents of the occupation to publicity materials and Japanese fan magazines, Kitamura shows how many Japanese supported Hollywood and became active agents of Americanization. A truly interdisciplinary book that combines U.S. diplomatic and cultural history, film and media studies, and modern Japanese history, Screening Enlightenment offers new insights into the origins of this unique political and cultural transpacific relationship.

*Tenshi No Aki* Nyx Demos,2012-04-09 This is a story like most typical stories. A tale of love between two unlikely companions who will come to find that they truly cherish the other; that without the other's presence to guide them through life much like a dim swaying light in a lantern aides the eyes of a weary traveler along darkened roads. They are doomed to live meager dull lives forever tied by the bonds of Destiny and Fate, wishing that there was something more, something better. This is a story of family, thicker than any blood splatter and thinner than any raindrop. A family that fights and bickers to the ends of the world. A family that is bound by prophecies written centuries before their births yet still followed despite society believing such ways to be heathenish absurdities. This is the story of a family that is broken by the hands of Fate yet healed by childlike dreams and promises. This is a story of hopes, dreams, failure, hatred, and the unbreakable bond of trust born in each being from the time they are created, weathered by life's hardships and trials. A bond that is never truly lost for it stands for the flame that dances brightly in its best orange robes upon the autumn leaves welcoming the angels home.

**The Dragon Pearl Series (Books 1-8)** J F Mehentee,2023-05-10 One mistake. Five lives. A universe in chaos. Inspired by Asian and Middle Eastern mythologies, The Dragon Pearl Series box set contains six novellas whose interconnected stories determine the fate of a universe in the novels *Tamuda Rising* and *The Four-Day War*. Packed with adventure, this complete 1400-page series is perfect for readers of epic fantasy. Book 1 - Hotsuka's Story Banished from Heaven and no longer a Celestial, Hotsuka must adapt to his new life as the monk, Gaurang. Can he rescue his newborn son who's destined to change the universe? Not everyone, however, wants change. Book 2 - Barid's Story Barid, a once-elite warrior turned blacksmith, despised and ridiculed by villagers, waits for Noor: a man whom he'd die for; a man who may already be dead. When Gaurang arrives and promises the villagers a miracle, Barid must decide whether to remain a blacksmith or put his past and Noor behind him. Book 3 - Omid's Story If he's to save the Empire, Omid, the emperor's sickly son, must complete Gaurang's undertaking: to forge a sword so light and sharp it will cut a falling leaf. With a Dragoness out to sabotage the undertaking, can Omid complete the task in time, or will he plunge the Empire and the Dragonfolk back into endless war? Book 4 - Madhuri's Story Captured by the nomadic Tamuda, Madhuri receives two gifts from a snake spirit. Thanks to the first gift, she is betrothed to the charismatic Chuluun. As Madhuri settles into her new life, she discovers her presence endangers the entire Tamuda nation. When the spirit's second gift reveals itself, Madhuri realises she must sacrifice everything, including Chuluun. Book 5 - Babak's Story Half-human and half-monkey, Babak befriends Kunie, the emperor's daughter. Infatuated, he wants to be a guardsman and, one day, Kunie's personal bodyguard. But Babak was born to serve a greater purpose. How will he react when he learns his commitment to Kunie and his destiny are not one and the same thing? Book 6 - Shernaz's Story Abandoned by her husband, Shernaz is rescued by the Queen of Patalama and given a Dragon pearl. Thanks to the pearl, Shernaz enjoys prolonged youth and the independence she always dreamed of. When the pearl loses its power, obtaining a second carries a dreadful price. Book 7 – *Tamuda Rising* The Tamuda nation gathers and prepares for war. The Takeo Sura, a cabal of disgruntled Dragons, use deceit, cunning and murder to create chaos before the invading horde reaches the Imperial Fortress. While a desperate group of guardsmen try to hinder the Tamuda's advance, the Fortress prepares for a siege. The Takeo Sura, however, have other ideas. In *Tamuda Rising*, the storylines for Gaurang, Barid, Omid, Kunie, Babak and Shernaz converge. Each has a role in determining the fate of the Empire and ultimately the universe. Book 8 – *The Four-day War* As the Tamuda battle their way into the Imperial Fortress, the Takeo Sura hamper the Empire's attempts to defend itself. With Gaurang missing and news Babak has sided with the Tamuda, Kunie's first days as empress are fraught. Meanwhile, Lady Shinju and the Meijin Council arrive on the Dragon Isles. Like Lord Takeo, she's prepared for a four-day war, the outcome of which will decide the fate of humans, Dragons and gods alike. *The Four-Day War* is the eighth and final instalment in the Dragon Pearl Series.
