Code of Federal Regulations ,2002 Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

The Code of Federal Regulations of the United States of America ,2006 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government.

General Statutes of New Jersey New Jersey, Garret Dorset Wall Vroom, William Mershon Lanning, 2005 This compilation succeeded the previous edition of 1877. Two-and-a-half times the size of its predecessor, it records the greatest increase in public general legislation between any two consecutive compilations in New Jersey's history. Its bulk pays witness to the state's rapid growth during the nineteenth century and its engagement with the forces of modernity. Such topics as Usury and Militia in 1877 are redefined as Interest and National Guard; new additions include laws dealing with labor arbitration, civil rights and occupational safety. Luce's Table of Statutes, an invaluable tool originally published separately in 1900, is included in Volume I. Our reprint also has a detailed table of contents, a feature that was not included in the original work.

General Statutes of New Jersey New Jersey, 1896 Pub. under the authority of the Legislature, by virtue of an act approved April 4, 1894, and a supplement thereto, approved March 20, 1895 ...--T.p.
