A Hawk among Sparrows Philip Curtis,2014-04-23 This first-ever biography of Austin Farrer, written with the full cooperation of the trustees of the Farrer estate, presents a lively portrait of the man and his life and assesses his contribution as philosopher, biblical scholar, and divine. As Fellow and Chaplain of Trinity College, Oxford, and later Warden of Keble College, Oxford, Farrer broke new ground with his unorthodox approach to biblical criticism and won honor as a philosopher of religion with such works as *Finite and Infinite*, *The Freedom of the Will*, and *Love Almighty and Ills Unlimited*. This biography includes extensive correspondence between Farrer and his father, a Baptist minister and theological college lecturer. These never-before-published letters vividly illustrate Farrer's cast of mind and distinctive views while demonstrating the integrity and creativity of his relationships with family and friends.

The Revolution Will Not Be Funded INCITE!,2017-01-13 A trillion-dollar industry, the US non-profit sector is one of the world's largest economies. From art museums and university hospitals to think tanks and church charities, over 1.5 million organizations of staggering diversity share the tax-exempt 501(c)(3) designation, if little else. Many social justice organizations have joined this world, often blunting political goals to satisfy government and foundation mandates. But even as funding shrinks, many activists often find it difficult to imagine movement-building outside the non-profit model. *The Revolution Will Not Be Funded* gathers essays by radical activists, educators, and non-profit staff from around the globe who critically rethink the long-term consequences of what they call the non-profit industrial complex. Drawing on their own experiences, the contributors track the history of non-profits and provide strategies to transform and work outside them. Urgent and visionary, *The Revolution Will Not Be Funded* presents a biting critique of the quietly devastating role the non-profit industrial complex plays in managing dissent. Contributors.
