It is a roadmap to a deeper relationship with the Lord and to authentic transformation through the imitation of Christ. But no true conversion is purely spiritual; it must bear fruit in our daily lives. Father Spitzer guides readers through the workings of moral transformation, with detailed sketches of all the cardinal and theological virtues, especially love. Using insights from Saint Ignatius of Loyola, as well as from modern psychology, Escape from Evil's Darkness concludes with an in-depth study of the sacrament of confession and the staggering power of God's loving mercy.
