The first 19 chapters contain over 500 questions that cover all of the objectives for the SY0-301 exam. The last chapter is a complete practice exam. The accompanying CD contains an additional practice exam in a simulated testing environment, and a third practice exam is available for free download via the web. This book was developed and written in conjunction with the CompTIA Security+ Certification Study Guide, by Glen E. Clarke. The order the objectives are presented in is identical, as are the chapter titles. These books were designed to work together as a comprehensive program for self-study. Strategies for Use There are a variety of ways in which this book can be used, whether used simultaneously with the CompTIA Security+ Certification Study Guide or as a stand-alone test prep tool. With the Study Guide: Taking a chapter-by-chapter approach, you can opt to read a Study Guide chapter and then practice what you have learned with the questions in the corresponding Practice Exams chapter, and alternate between books throughout your course of study. The Practice Exams book alone: Using the Practice Exams book after you have read the Study Guide, or as a stand-alone test prep tool, you can work through the book cover to cover and take the three practice exams as the final step in your preparation. Or, by means of the Exam Readiness Checklist, you can gauge your level of expertise and determine which objectives to focus on and work through the book by objectives. The Exam Readiness Checklist notes which questions pertain to which objectives, allowing you to tailor your review.
