Misinformation Policy in Sub-Saharan Africa Peter Cunliffe-Jones,Assane Diagne,Alan Finlay,Sahite Gaye,Wallace Gichunge,Chido Onumah,Cornia Pretorius,Any Schiffrin,2021-06-01 Misinformation Policy in Sub-Saharan Africa is a single volume containing two research reports by eight authors examining policy towards misinformation in Sub-Saharan Africa. The volume first examines the teaching of ‘media literacy’ in state-run schools in seven Sub-Saharan African countries as of mid-2020, as relates to misinformation. It explains the limited elements of media and information literacy (MIL) that are included in the curricula in the seven countries studied and the elements of media literacy related to misinformation taught in schools in one province of South Africa since January 2020. The authors propose six fields of knowledge and skills specific to misinformation that are required in order to reduce students’ susceptibility to false and misleading claims. Identifying obstacles to the introduction and effective teaching of misinformation literacy, the authors make five recommendations for the promotion of misinformation literacy in schools, to reduce the harm misinformation causes. The second report in the volume examines changes made to laws and regulations related to ‘false information’ in eleven countries across Sub-Saharan Africa 2016-2020 from Ethiopia to South Africa. By examining the terms of such laws against what is known of misinformation types, drivers and effects, it assesses the likely effects of punitive policies and those of more positive approaches that provide accountability in political debate by promoting access to accurate information and corrective speech. In contrast to the effects described for most recent regulations relating to misinformation, the report identifies ways in which legal and regulatory frameworks can be used to promote a healthier information environment.

Ensemble Jasveer Singh Dangi,2021-09-21 I had no specific topic in my mind when I started writing this book. Each time the 'hat' (my brain) initiated its magic, it brought out something new, just like a magician's hat. This book is a collection of random stories which bear no connection with each other. Some are a creation of my weird imagination while others are random thoughts and precious memories. It also comprises some stories from my life. It has something for everyone-from adventure to thriller to horror to everyday life situations- sometimes involving confused thoughts, motivational articles and essays, and some of my childhood stories from the 80s. The 'Ensemble' is my first attempt at creating an anthology and compiling different stories in a single book. It is an attempt to cook a perfect magic potion through various stories by mixing different emotional ingredients. Just say abracadabra and teleport into a world full of stories. See you on the other side!

Beware the Slow Leaks Steve King,2019-06-04 “Urgent, timely, and inspiring biblical wisdom for Christian leaders who want to start strong, thrive fully, and finish well!” –W. Scott Brown, Christian Leadership Alliance “Too often technique and numeric growth are on the minds of young pastors. Learn from a veteran and seek faithfulness!” –Matt Schmucker, co-founder, 9Marks “A powerful and preventive message for every pastor who desires to hear ‘well done’ at the finish line.” –Cliff Clifton, North American Mission Board, director of Send DC As leaders, it’s our greatest desire: a life that honors God, strengthens our family, and draws those we lead to Jesus Christ. But behind our well-intentioned efforts and carefully prepared sermons, we also carry fear of failure, disappointments, hurts, and hidden sins. These can become slow leaks resulting not only in public failure, but more importantly, in devastation to those we love and lead. But here’s the good news: You don’t have to live in fear. The God who called you stands ready to empower you to confidently plug the slow leaks in your life, to vigorously flourish, and to finish well. In *Beware the Slow Leaks*, Pastor Steve King draws on over forty years of ministry to equip Christian leaders to build healthy, gospel-centered habits now so they don’t have to bail their ship later. With biblical wisdom, personal stories, and spiritual care, King inspires ministers to practice what they preach—providing eight pro-active strategies to help Christian leaders fully thrive and confidently finish. Now is the time to fortify your hull against the slow leaks. Join Pastor King as he points you to the God who has called you to sail the waters with Him, not just bail your boat.
