

The Deep Rock Railroad

Robert S. Farnsworth

Rock Island Railroad in Arkansas Michael E. Hibblen, 2017-04-03

For nearly 80 years, the Rock Island was a major railroad in Arkansas providing passenger and freight services. A decline in rail travel after World War II and an increase in trucks hauling freight over government-subsidized interstates were among factors that left the railroad struggling. Efforts to merge with other railroads were stalled for years by federal regulators. The Rock Island filed for bankruptcy in 1975 and attempted a reorganization, but creditors wanted the assets liquidated, with a judge shutting it down in 1980. Most of the tracks that traversed the state were taken up, but a few relics, like the Little Rock passenger station and the Arkansas River bridge, remain as monuments to this once great railroad.

The Railroad to Nowhere: The Deep Gap Tie & Lumber Company Railroad and Other Northwestern North Carolina Business Ventures Doug McGuinn, 2019 The railroad to nowhere contains the stories of five northwestern North Carolina business ventures: the Copper Knob Mine (a.k.a. the Gap Creek Mine), Cowles' Stand (the A.D. Cowles & Co. Store), the Deep Gap Tie & Lumber Co. RR (the Railroad to Nowhere), the V.L. Moretz & Son Lumber Co. (formerly the Deep Gap Tie & Lumber Co.), and the Appalachian Ski Mountain (formerly the Blowing Rock Ski Lodge). These businesses were all located in the North Carolina counties of either Watauga or Ashe ... they all can trace their roots back to one man: Calvin J. Cowles.--Back cover

Rock Island Requiem Gregory L. Schneider, 2020-02-05 Celebrated in history and song, the Chicago, Rock Island and Pacific Railroad Company—the Rock Island Line—was a powerful Midwestern railroad that once traversed thirteen states with its fast freights and

Rocket passenger trains but eventually succumbed to government regulation and a changing economy. Gregory Schneider chronicles the Rock Island's painful decline and along the way reveals some of the key problems within the American railroad industry during the post-World War II era. Schneider takes readers back to a time when railroads still clung to a storied past to offer new insight into the devastating impact of economic policymaking during the 1960s and 1970s. Schneider recounts the largest railroad liquidation in American history—as well as one of the most successful reorganizations in American business—to depict the demise and ultimate collapse of Rock Island as part of a broader account of hard times in the railroad industry beginning in the 1970s. Schneider weaves a complex story of how business, politics, government bureaucracy, and individual greed helped to limit the economic possibilities of the railroad industry and catapult the Rock Island Railroad into oblivion. Weakened by a troubled economy, the Rock fell victim to inept management and labor union intransigence; but Schneider also reveals how government regulations and price controls prevented innovation, hindered capital acquisition, and favored other forms of transportation that lie beyond the scope of regulation. Railroads were even hurt by taxation of property and real estate while competitors were able to use government-subsidized highways and airports without having to pay taxes to fund them. Now that America has gone on to witness the collapse of such mammoth firms as Enron and Lehman Brothers, not to mention the bankruptcy and bailout of General Motors, the story of the Rock provides an instructive lesson in how a major American enterprise was allowed to fall victim to forces often beyond its control—while the bailout of the Penn Central, at the expense of smaller lines like Rock Island, helped initiate the era of “too big to

fail.” For economic historians and railroad buffs alike, Rock Island Requiem is a well-researched

The Grand Western Railroad Game Robert S.

Farnsworth,2017-12-11 The Grand Western Railroad Game By: Robert S. Farnsworth The Grand Western Railroad Game by Robert S. Farnsworth is a fascinatingly detailed story of the historical importance of Western railroads. It has been meticulously written to educate the reader on the intricacies involved in the creation and growth of the Rock Island System over the “Empire Years.” The railroad’s premium passenger train service even inspired the popular song “The Rock Island Line is a Mighty Fine Line.” To quote the author, “I wrote this book, not from just the viewpoint of a rail fan, hundreds of whom have diligently photographically documented the railroad’s passage through time, but from the viewpoint of a former employee and from the insights gained from a broad education in both the university and in the experience of a practiced transportation planner. I hope that the reader will learn from the stories told here that the workers tried valiantly to do their jobs, that the line’s managers were forced to play with the hand that was dealt to them from a less than full deck, and that investors expected to get a reasonable return on the often gigantic sums paid into the corporation. “I hope that the information contained within these covers leads others toward more detailed studies of the railroads and of the conditions in which they survived, if not prospered.”

A Mighty Fine Road H. Roger Grant,2020-10-06 The Chicago, Rock Island & Pacific Railroad's history is one of big booms and bigger busts. When it became the first railroad to reach and then cross the Mississippi River in 1856, it emerged as a leading American railroad company. But after aggressive expansion and a subsequent change in

management, the company struggled and eventually declared bankruptcy in 1915. What followed was a cycle of resurrections and bankruptcies; a grueling, ten-year, ultimately unsuccessful battle to merge with the Union Pacific; and the Rock Island's final liquidation in 1981. But today, long after its glory days and eventual demise, the Mighty Fine Road has left behind a living legacy of major and feeder lines throughout the country. In his latest work, railroad historian H. Roger Grant offers an accessible, gorgeously illustrated, and comprehensive history of this iconic American railroad.

The Rock Island Railroad ,1871

The Last Train from Elkland Doug McGuinn,2007-01-01 Not only is THE LAST TRAIN FROM ELKLAND a brief history of four northwestern North Carolina mountain communities, it is also about two railroads that operated in and around these communities: the Virginia;Carolina, also known as the ;Virginia Creeper; (in 1916, the Virginia;Carolina Railway was bought by the Norfolk & Western Railway, and renamed the Abingdon Branch), and the Deep Gap Tie and Lumber Company;s railroad, whose former Hassinger Lumber Company;s Shay logging locomotive operated alongside Gap Creek, from Deep Gap, in Watauga County, North Carolina, to the South Fork of the New River, near Fleetwood, in Ashe County, North Carolina, a distance of only about five miles. Although these communities were located in North Carolina, they all had a common tie-in with the neighboring state of Virginia ; the trains of the two railroads hauled logs that had been felled in the area surrounding the four communities, timber destined to be cut at the Hassinger Lumber Company;s sawmill in Konnarock, Virginia. By the time the blades went silent on Christmas Eve, 1928, almost 400 million board feet of the area;s best hardwood had passed through the Hassinger Lumber

Company's sawmill. How much did this unchecked logging contribute to the immense damage done to the area by the disastrous floods of 1916 and 1940? This question is also explored in this book.

The Mountain Top Track Charles Ellet, 1856

The Railway World, 1908

After Promontory Center for Railroad Photography &

Art, 2019-03-01 Celebrating the sesquicentennial anniversary of the completion of the first transcontinental railroad in the United States, *After Promontory: One Hundred and Fifty Years of Transcontinental Railroading* profiles the history and heritage of this historic event. Starting with the original Union Pacific—Central Pacific lines that met at Promontory Summit, Utah, in 1869, the book expands the narrative by considering all of the transcontinental routes in the United States and examining their impact on building this great nation. Exquisitely illustrated with full color photographs, *After Promontory* divides the western United States into three regions—central, southern, and northern—and offers a deep look at the transcontinental routes of each one. Renowned railroad historians Maury Klein, Keith Bryant, and Don Hofsommer offer their perspectives on these regions along with contributors H. Roger Grant and Rob Krebs.

Great American Railroad Journeys Michael Portillo, 2017-01-26

Great American Railroad Journeys sees the famous brand of social-history-cum-travelogue venture to the New World. Across multiple programmes and using Appleton's General Guide To The United States & Canada as reference, Michael Portillo now undertakes an epic trip by train from New York and Boston on the East Coast down to the Deep South of Atlanta and New Orleans, then on to Chicago, Colorado, New Mexico and ultimately finishing in San Francisco. This lavishly illustrated official tie-in covers each journey Portillo makes

across North America and captures the colour, beauty, history and exhilaration experienced when journeying through this incredible continent. Packed with new maps, as well as originals from Appleton's General Guide, this book explores the construction of rail routes across the continent in the 1800s, as a new nation was built by the immigrant masses. Truly this is a colourful and exciting enterprise, with vignettes of revealing social history displaying the rich tapestry of the peoples who established themselves in this vast new world. Great American Railroad Journeys is a must-have purchase for any fan of this unique and award-winning travel series.

Report of J. W. Washburn and W. P. Denckla, Upon the Natural Resources of the Arkansas Valley, from Little Rock, Ark., to Fort Gibson, C. N. Little Rock and Fort Smith Railroad Company, 1867

Northwestern Pacific Railroad Susan J. P. O'Hara, Alex Service, Fortuna Depot Museum, 2013-11-18 The year 2014 marks the centennial of the completion of the Northwestern Pacific Railroad (NWP), celebrated by driving a "golden spike" at Cain Rock in October 1914. This achievement was the culmination of a massive, six-year engineering effort to connect rail lines ending at Willits with the early lumber company railroads of the Humboldt Bay region. When it was completed, the NWP linked Eureka with San Francisco by rail, a milestone in the history of Humboldt and Northern Mendocino Counties. This book examines the impact of the NWP on Northwestern California. Although no longer operational, the railroad today symbolizes the ongoing struggle to connect this isolated region with the wider world.

Katy Northwest Donovan L. Hofsommer, 1999 *Katy Northwest* will be of interest to scholars who are concerned with the economic, social, and political ramifications... of all light railroad branch lines...

Will be warmly received by rail buffs and by loyal friends of the Katy. --from the Foreword by John W. Barriger, Special Assistant, Federal Railroad Administration, and former president of the Katy If you are coming to this book for the first time, dive in! If you're picking it up again after an absence, welcome back. The Northwest District may be gone, but it lives forever here. --Fred Finley More than just a history of a branch line railroad, this is a premiere book, with not only facts and figures, but also excellent historical writing. It details Katy Northwest's birth, maturation, and decline as well as the devastating effect of its death on the communities it served.

Selected Statistics from Annual Reports of Private Car Owners [Persons Furnishing Cars Or Protective Service To, Or on Behalf of Any Carrier by Railroad Or Express Company]. United States. Interstate Commerce Commission. Bureau of Transport Economics and Statistics, 1946

Yet There Isn't a Train I Wouldn't Take William D.

Middleton, 2000-04-22 Yet there isn't a train goes by all day But I hear its whistle shrieking.... Yet there isn't a train I wouldn't take, No matter where it's going. —Edna St. Vincent Millay, Travel Yet there isn't a train I wouldn't take is a collection of stories about favorite train journeys by an inveterate railway enthusiast and train traveler. A half century career as an engineer, Naval officer, and university administrator took Bill Middleton to almost every part of the globe, and everywhere he took with him an abiding interest in railways, and a notebook and camera to record his experiences. His North American journeys have included experiences as diverse as the long journey north through Manitoba to polar bear country on Hudson Bay, a trip to Minnesota's Mesabi Range to haul a boatload of iron ore to Lake Superior behind a giant Yellowstone articulated steam

locomotive, and the trip between Costa Rica's Atlantic and Pacific coasts by narrow gauge railway. His European travels have ranged from a Pullman seat on the crack London-Paris Golden Arrow to the slow trip across Thrace on one of the last runs of the celebrated Simplon-Orient Express. In Asia he traveled through the Toros Mountains of Turkey on the famous Istanbul-Baghdad Toros Express, experienced modern high-speed railroading in the cab of Japan's Bullet Train, and rode to Asia's highest mountain east of the Himalayas on the little trains of Taiwan's Ali Shan Forestry Railway.

Nevada Northern Railway Mark S. Bassett,J. Joan

Bassett,2011-08-01 The Nevada Northern Railway is the sole survivor from a grand era when railroads served mines throughout the state. Built in 1905-1906 to develop the incredible copper deposits of the Nevada Consolidated Copper Company in White Pine County, it was--and still is--a workaday railroad. Although its primary purpose was to haul ore, it eventually served the community with a daily passenger train between East Ely and Cobre until 1941. Over 4.5 million people rode the trains, and a mountain of copper ore was moved. In 1983, the Nevada Northern Railway ceased operating, and two years later the entire ore line, including the railroad's yard and shop facilities in East Ely, was donated to the White Pine Historical Railroad Foundation that now operates the railway as a museum. Instead of relics in glass cases or repainted old equipment on static display, the museum preserves a working steam railroad, delighting train enthusiasts year-round with passenger service and special seasonal excursions.

Railroad Reorganization Stuart Daggett,2022-11-21 The following work dives deep into studying the organization problems plaguing the seven railroad companies which failed from 1892 to 1896, and one railroad that was reorganized in 1902. These railroad companies were:

Baltimore & Ohio; Erie; Philadelphia & Reading; The Southern; Atchison, Topeka, & Santa Fe; Union Pacific; Northern Pacific; and Rock Island. Their problems were strikingly alike. It is one of the earliest examples of management case studies, written by Stuart Daggett.

The Story of the Western Railroads Robert E. Riegel, 1926 On December 23, 1852, the first train on the first railroad west of the Mississippi River steamed proudly from St. Louis to Cheltenham—the immense distance of five miles. In that moment of exaltation, writes Robert Edgar Riegel, flags waved, bands played, and orators prophesied the flowering of the West under the beneficent influence of the steam locomotive. For once the orators were right. An epoch was marked. Twenty-five years earlier the musical whistle of the locomotive was as yet unheard in the United States. Twenty-five years later steel tracks spanned the continent from New York to San Francisco. In this account of the railroad conquest of the United States, the author is primarily concerned with the western phase of the story. He follows the Iron Horse west through Indian trouble, labor difficulties, civil war, and farmer disillusionment to the completion of the western railroad net. All aspects of the subject—financial, industrial, engineering, as well as the development of railroad regulation—are covered in this classic work.

Smoky Mountain Railways Jacob Morgan Plott and Bob Plott, 2021 The Great Smoky Mountains were a remote and inaccessible place with no major highways or railroads until well after the Civil War. Using first enslaved and later convict labor, the Western North Carolina Railroad and Murphy Branch connected the mountains with the remainder of the state by 1891. The railroad brought commerce and tourism, and tourists and rail buffs continue to come to Bryson

City to experience travel by steam train on the Great Smoky Mountains Railroad. The history of this line is a story like no other. It is a tale filled with tragedy, heroism, brains, blood, sweat, tears, nitroglycerin and humor. Local authors Jacob Morgan Plott and Bob Plott tell the story of a line that refused to die.

As recognized, adventure as competently as experience nearly lesson, amusement, as without difficulty as union can be gotten by just checking out a book **The Deep Rock Railroad** along with it is not directly done, you could resign yourself to even more on the subject of this life, roughly the world.

We present you this proper as skillfully as simple showing off to get those all. We meet the expense of The Deep Rock Railroad and numerous books collections from fictions to scientific research in any way. in the middle of them is this The Deep Rock Railroad that can be your partner.

The Deep Rock Railroad

Introduction

The Deep Rock Railroad Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Deep Rock Railroad Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Deep Rock Railroad : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Deep Rock Railroad : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-

eBooks The Deep Rock Railroad Offers a diverse range of free eBooks across various genres. The Deep Rock Railroad Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Deep Rock Railroad Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Deep Rock Railroad, especially related to The Deep Rock Railroad, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Deep Rock Railroad, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Deep Rock Railroad books or magazines

might include. Look for these in online stores or libraries.

Remember that while The Deep Rock Railroad, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading.

Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Deep Rock Railroad eBooks for free, including popular titles.

Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.

Authors Website

Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Deep Rock Railroad full book, it can give you a taste of the authors writing

style.

Subscription Services

Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Deep Rock Railroad eBooks, including some popular titles.

FAQs About The Deep Rock Railroad Books

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice.

Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works.

However, make sure to verify the source to ensure the eBook credibility.

Can I read eBooks without an eReader? Absolutely!

Most eBook platforms offer

webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Deep Rock Railroad is one of the best book in our library for free trial. We provide copy of The Deep Rock Railroad in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Deep Rock Railroad. Where to download The Deep Rock Railroad online for free? Are you looking for The Deep Rock Railroad PDF? This is definitely

going to save you time and cash in something you should think about. If you trying to find then search around for online.

Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Deep Rock Railroad. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Deep Rock Railroad are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access

online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Deep Rock Railroad. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Deep Rock Railroad To get started finding The Deep Rock Railroad, you are right to find our website which has a comprehensive collection of books online. Our library is the

biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Deep Rock Railroad So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Deep Rock Railroad. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Deep Rock Railroad, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Deep Rock Railroad is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like

this one. Merely said, The Deep Rock Railroad is universally compatible with any devices to read.
