OCD, The Dude, and Me Lauren Roedy Vaughn,2013-03-21 With frizzy orange hair, a plus-sized body, sarcastic demeanor, and unique learning profile, Danielle Levine doesn't fit in even at her alternative high school. While navigating her doomed social life, she writes scathing, self-aware, and sometimes downright raunchy essays for English class. As a result of her unfiltered writing style, she is forced to see the school psychologist and enroll in a social skills class. But when she meets Daniel, another social misfit who is obsessed with the cult classic film *The Big Lebowski*, Danielle's resolve to keep everyone at arm's length starts to crumble.

FREEZONED HIGH SCHOOL: Destruction Within 21st Century, American Education Elias Sassoon,2009-07-28 The stories in the collection concern a typical suburban, public high school. Typical is the operative word. Tax money poured in by the local community for extraordinary services provided to all school-age children. Money spent everywhere: acclaimed educators hired, spectacular facilities built, resources like computers and laboratory equipment acquired, extra-curricular activities created, yet the outcome? Academic failure, violence, drugs, gangs, and, drop-out rates approaching fifty percent. There is the result! Why? Where has the money gone? The resources gone? The stories provide a glimpse and a few answers. There are portraits of students, teachers, and, school administrators. In these you can figure the reasons for the failures. Often, the failure is a combination of forces, the kids themselves, instability of parents and extended families, poor teachers and administrators, and, a bureaucracy gone wild. To pinpoint any one cause as a reason for the school's record is difficult at best.

Death of a Dude Rex Stout,1995-01-02 The mountain couldn't come to Wolfe, so the great detective came to the mountain—to *Lame Horse*, Montana, to be exact. Here a city slicker got a country girl pregnant and then took a bullet in the back. Wolfe's job was to get an innocent man exonerated of the crime and catch a killer in the process. But when he packed his silk pajamas and headed west, he found himself embroiled in a case rife with local cynicism, slipshod police work, and unpleasant political ramifications. In fact, Nero Wolfe was buffaloed until the real killer struck again, underestimating the dandified dude with an unerring instinct for detection. Introduction by Don Coldsmith "It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore."—The New York Times Book Review A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. Now, with his perambulatory man-about-town, Archie Goodwin, the arrogant, gourmandizing, sedentary sleuth is back in the original seventy-three cases of crime and detection written by the inimitable master himself, Rex Stout.

The Dude De Ching Oliver Benjamin,2016-10-26 NOTE: This is a new annotated version of the Dudeist classic, containing 81 essays explaining each verse. Each verse is followed by the original verse from the *Tao Te Ching* to help show the similarity between Dudeism and Taoism. Dudeism is an authentic religion with nearly 400,000 ordained Dudeist Priests. It is inspired mainly by Taoism and the Coen Brothers' 1998 film *The Big Lebowski*. Strategic Social Media as Activism Adrienne A. Wallace,Regina Luttrell,2023-08-25
Drawing on a range of theoretical and empirical perspectives, this volume examines the roles strategic communications play in creating social media messaging campaigns designed to engage in digital activism. As social activism and engagement continue to rise, individuals have an opportunity to use their agency as creators and consumers to explore issues of identity, diversity, justice, and action through digital activism. This edited volume situates activism and social justice historically and draws parallels to the work of activists in today's social movements such as modern-day feminism, Black Lives Matter, #MeToo, Missing Murdered Indigenous Women, and We Are All Khaled Said. Each chapter adds an additional filter of nuance, building a complete account of mounting issues through social media movements and at the same time scaffolding the complicated nature of digital collective action. The book will be a useful supplement to courses in public relations, journalism, social media, sociology, political science, diversity, digital activism, and mass communication at both the undergraduate and graduate level.

How to Deal with 21St Century American Women Frosty Wooldridge,2013-10-20
How to Deal with 21st Century American Women teaches men from all walks of life how to understand and adapt to the evolving male-female paradigm shift occurring at every level of American society. Today, women run companies, become school principals, military generals, police chiefs, corporation CEOs and dozens of other power positions where they make more money and give orders to male employees. Its no longer exclusively a mans world. Women compete for the highest job slots at colleges, governorships of states, Ph.D. programs and athletic money in professional sports. Where men once drove the car for dates, women demand equality in the work, family and social realm. Men need to slide over and share the driving with women. This enormous emotional, social and sexual shift in the Western world creates a new male-female relationship dynamic. This shift proves the first of its kind in human history. The new dynamic also creates incredible confusion, frustration and exasperation. Along the way, women want men to be men. They want a good man to marry and raise a family. But early in the 21st century, half of all marriages end in divorce. Male domestic violence continues at distressing levels. Weekend fathers
