The Dude 40 Beta 3

AW Chickering

The Dude Martin Band Story Jim Goggin,2005 This book was written to tell the story of two men who were the backbone of a Western Swing band called Dude Martin and His Round Up Gang. The band was very popular in Northern California during the 30s to the early 50s. Popular enough to have two radio programs a day during the Depression and, later, a daily TV show that won numerous awards. Their dances were usually to a full house. This is also the story of an amazing partnership that had considerable success and lasted almost twenty years. Included in this 150 page book are over 300 illustrations and some drawings by a band member who was with Walt Disney productions. It also includes a complete index and a list of the band's recordings.

The 48 Laws of Power Robert Greene,2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of The Laws of Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
