*Forty Years a Gambler on the Mississippi* George H. Devol,1996 George H. Devol was the greatest riverboat gambler in the history of the Mississippi. Born in Ohio in 1829, he ran away from home and worked as a cabin boy at age ten. At fourteen he could stack a deck of cards. Over the years, he bilked soldiers, paymasters, cotton buyers, thieves, and businessmen alike. He fought more fights than anyone, and was never beaten. This is his story. Nobody was ever bored by it.

*Bronze Age Mindset* Bronze Pervert,2018-06-06 The Atlantic named this author as possibly Steve Bannon's contact in the White House (Rosie Gray, The Atlantic Feb 10 2017: 'Think you should speak directly to my WH cutout / cell leader,' Yarvin said in an email. 'I've never met him and don't know his identity, we just DM on Twitter. He's said to be 'very close' to Bannon...Goal is to intimidate Congress with pure masculine show of youth, energy. Trump is said to know, will coordinate with

powerful EOs...); and a recent Vox article (Tara Isabella Burton, Vox June 1 2018) claimed that he is the text to Jordan Peterson's subtext, and a distilled form of Peterson. Distilled means purer: yes, so why not read and understand the purer version? T. I. Burton also adds in this article that this author BAP is a kind of priest-king to thousands on Twitter and outside and is possibly leading a spiritual reawakening. Some say that this book, found in a safebox in the port area of Kowloon, was dictated, because Bronze Age Pervert refuses to learn what he calls the low and plebeian art of writing. It isn't known how this book was transcribed. The contents are pure dynamite. He explains that you live in ant farm. That you are observed by the lords of lies, ritually probed. Ancient man had something you have lost: confidence in his instincts and strength, knowledge in his blood. BAP shows how the Bronze Age mindset can set you free from this Iron Prison and help you embark on the path of power. He talks about life, biology, hormones. He gives many examples from history, both ancient and modern. He shows the secrets of the detrimental robots, how they hide and fabricate. He helps you escape gynocracy and ascend to fresh mountain air. The pricing, he insisted on against all advice. It refers to the lucky 969 Movement of Burma, led by the noble monk Wirathu. Praise be to the Pervert. Praise be to his teaching of peace. Be careful.

**The Circle** Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one

online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.
