**Food Processor Perfection** America's Test Kitchen, 2017-05-02 America's Test Kitchen unleashes the potential of what a food processor can do with an eye-opening collection of 75 kitchen-tested recipes to make your cooking easier, faster, and better. Your food processor is a powerful tool but is often relegated to only a handful of tasks. We have always felt the food processor was underutilized and so we've set out to create a book that harnesses this appliance's capabilities as never before, from almost-no-bowl baking to multi-step dishes like stir-fries where all the slicing and chopping happens in the food processor. The result is a book of 75 smart ideas where the food processor is the star of every recipe. It will transform how you use this appliance, streamline everyday cooking and baking, and open doors to projects you would never have considered tackling by hand.

**The Pleasures of Your Food Processor** Norene Gilletz, 1994 Contains more than 700 delicious recipes, jam-packed with tips to help cooks produce one-dish meals with the processor in minutes. Readers learn how to speed up the process of cooking their favorite meals, knead yeast doughs in less than a minute, and adapt baked goods to processor methods. Special holiday section included.
