Wild Your Garden Jim and Joel Ashton, Ashton Joel, 2020-04-02 It's up to every single one of us to do our bit for wildlife, however small our gardens, and The Butterfly Brothers know just how that can be achieved. Alan Titchmarsh Join the rewilding movement and share your outdoor space with nature. We all have the potential to make the world a little greener. *Wild Your Garden*, written by Jim and Joel Ashton (aka The Butterfly Brothers), shows you how to create a garden that can help boost local biodiversity. Transform a paved-over yard into a lush oasis, create refuges to welcome and support native species, or turn a high-maintenance lawn into a nectar-rich mini-meadow to attract bees and butterflies. You don't need specialist knowledge or acres of land. If you have any outdoor space, you can make a difference to local wildlife, and reduce your carbon footprint, too. Wildlife gardening is one of the most important things you can do as an individual for increasing biodiversity and mitigating the effects of climate change. From digging a pond to planting a native hedge, the Butterfly Brothers can help you every step of the way. Kate Bradbury

Journey Beyond the Great Tree Adnan Ashraf, 2020-03-19 Inside the surprising beauty of the dying tree's canopy, Safa seeks a remedy. She finds a winged creature, and an invisible teacher. While Safa Farooq is studying for a test, she learns that bacteria have entered the fantastic orange tree that supplies her father's juice company with fruit, and the tree's life is threatened. Curious and hopeful, Safa begins climbing the tree in search of answers. On its high branches, she meets helpful creatures, but there are others that get in her way: naughty jinn. She has to choose whether to continue climbing and searching. She hears a voice that teaches her rules to help her recite the Quran better. This, in turn, allows Safa to evade invisible enemies in her quest for a cure. The more she climbs, the more she sees of Allah's creation, and the more she learns. Will she be able to rise above the challenges she faces? Will Safa save Mr. Farooq's Organic Orange Juice, or will she get lost, forever, among the branches of the towering tree? Find out and learn the lessons that could help Safa and company on their journey of knowledge and remembrance. *Journey Beyond the Great Tree* rings with themes of ecological awareness, healing, and the bonds of family. Narrating an exciting, humorous, and educational story, it's a novel for Muslim children that is inspired by literature's ability to delight and instruct....I have read an advance proof of the children's novel *Journey Beyond the Great Tree* by Adnan Ashraf. To the best of my judgment, its content is in accord with Muslim beliefs and ethics and it is a sound contribution towards fulfilling the need for Muslim children's stories in the English language. - Qays Arthur, Muslim Sacred Sciences Instructor

The Secret Life of Lady Liberty Robert Hieronimus, Laura E. Cortner, 2016-08-15 The goddess origins of the Statue of Liberty and her connections with the founding and the future of America • Examines Lady Liberty's ties to Native American spiritual traditions, the Earth Mother, Roman goddesses, Black Madonnas, and Mary Magdalene • Reveals the sharp contrast between depicting "liberty" as a female and the reality of women and other suppressed classes even today • Explains how this Goddess of the New World inspires all people toward equality, compassion, peace-keeping, and environmental stewardship Uncovering the forgotten lineage of the Statue of Liberty, Bob Hieronimus and Laura Cortner explain how she is based on a female symbol representing America on the earliest maps of the continent in the form of a Native American "Queen." The image of a woman symbolizing independence was embraced by the American revolutionaries to rally the populace against the King, filling the role of "Founding Mother" and protector of the fledgling republic. Incorporating Libertas, the Roman goddess of freed slaves, with Minerva, Demeter, Justice, and the Indian Princess, Lady Liberty is seen all over the nation's capital, and on the seals and flags of many states. Showing how a new appreciation for the Statue of Liberty as the American goddess can serve as a unifying inspiration for activism, the authors explore how this Lady Liberty is a personification of America and its destiny. They examine multiple traditions that influenced her symbolism, from the Neolithic Earth Mother, to Mary Magdalene, Columbia, and Joan of Arc, while revealing the sharp contrast between depicting "liberty" as a female and the reality of women and other suppressed classes throughout history. Their study of "Liberty Enlightening the World" led them to conclude that the empowerment of contemporary women is essential for achieving sustainable liberty for

all. Sounding the call for this “Goddess of the New World” to inspire us all toward peacekeeping, nurturing, compassion, and environmental stewardship, the authors explain how the Statue of Liberty serves as the conscience of our nation and is a symbol of both the myths that unite us and the diversity that strengthens us.
