Invest Like a Guru Charlie Tian, 2017-04-24 Adopt the investment strategy that built Warren Buffett's fortune Invest Like a Guru provides an invaluable

resource for high-quality-focused value investing, with expert insight and practical tools for implementation. Written by the man behind GuruFocus.com, this book expands on the site's value strategies and research tools to provide a primer for those exploring pathways to higher returns at lower risk. The book begins with an insightful explanation of high-quality-focused value investing concepts, then quickly moves into practical, detailed guidance on analysis, valuation, key factors, and risks to avoid. Case studies demonstrate real-world application of various analysis methods, and the discussion walks you through important calculations using real examples. Author Charlie Tian draws upon his own experiences and lessons learned to provide true insight on high-quality-focused value investing as a strategy, providing both reference and expert advice in this singularly useful guide. Warren Buffett once said, I would rather buy good companies at fair prices than buy fair companies at good prices. That's how he built his fortune, and his method is what we now call high-quality-focused value investing. This book shows you how to determine what constitutes good companies and fair prices, with practical tools for real-world application. Learn the principles and concepts of high-quality-focused value investing Understand the analysis process and valuation of prospective investments Avoid the value traps that can trigger permanent losses Study clear examples of key ratios and calculations We can't all become the next Warren Buffett, but we can boost returns while reducing risk using the right investment strategy. High-quality-focused value investing provides a path to profit, and Invest Like a Guru is the one-of-a-kind guidebook for getting on track.

iMemory The Guruitself - Advance Mnemonic Sababbi Mangal, 2019-11-21 The quality of this book speaks itself, after using the book you can easily able

Homo Ritualis Axel Michaels,2016 '*Homo Ritualis*' describes and analyzes various forms of Hindu rituals and examines conceptual components such as framing, formality modality and theories of meaning. Presenting a Hindu theory of rituals, the book asks how indigenous terms and notions of ritual contribute to ritual theory.

Excel Gurus Gone Wild Bill Jelen,2009 Provides tips for solving a variety of problems encountered by Excel users, including validating URLs, generating random numbers without repeating, hiding rows, running macros, and sorting with a formula.

Life and Work of Guru Arjan Pashaura Singh,2006-07-10 A comprehensive study

of the life and work of Guru Arjan (1563-1606), the fifth Guru of the Sikhs, this volume reconstructs his life based on history, memory, tradition, and mythic representation. Pashaura Singh focuses on the major influences that shaped Guru Arjan's thought. He discusses the socio-political conditions that moulded the Guru's life, inspiring him to become one of the greatest religious leaders of the world. Presenting a systematic analysis of Guru Arjan's teachings, the author examines the Guru's role as leader of the growing Sikh Panth. The book discusses major institutional developments and the formation of the Sikh canon during the Guru's reign. It also explores the circumstances surrounding the Guru's martyrdom and the subsequent impact on the crystallization of the Sikh Panth

The Penguin Handbook of the World's Living Religions ,2010-03-25
Comprehensive, informative and authoritative, The Penguin Handbook of the World's Living Religions is compiled by a team of leading international scholars, and is the definitive guide to the religious belief systems and practices of the world today. This in-depth survey of active religions has now been fully updated to include modern developments and the most recent scholarship. It explains the sources and history of the world's religions, includes material on the phenomenon of Black African and Asian diaspora religions around the world and explores the role of gender in modern religion.

Two Gurus One Message Savinder Kaur Gill, Sonam Wangmo, 2019-01-01 Buddhism and Sikhism, founded by the Lord Buddha and Guru Nanak respectively are both religions of India with a two thousand-year gap between the two faiths. Tarungpa Tulku in his 1966 article Guru Nanak in Tibet—A Buddhist view point wrote that Tibetan Buddhists have a special connection with Sikhism due to

the belief that Guru Nanak was a manifestation of Guru Padmasambhava. It is with this curiosity that the idea for this book was conceived, leading to the discovery of an astonishing number of similarities between the two spiritual traditions. This comparative study, the first major attempt of its kind, scoured the entire Sikh Scripture Shri Guru Granth Sahib and found numerous parallels with the Buddhist Canon, especially Pali; ranging from the life stories of the founding fathers of the two faiths, their social agenda and core tenets to articles of faith, including religious symbolism. It is hoped that this research can in some way, help to blur the divisions between religious labels and bring out pure spirituality—devoid of fixation on religious externalities which leads to much dissent, especially in this degenerate era. While acknowledging the rich diversity and uniqueness of each spiritual tradition, this book eventually comes to the conclusion that spirituality transcends religious labels. We have come to appreciate that although the externalities of religion may differ vastly—spiritual insights remain universal!

Textual Sources for the Study of Sikhism W.H. McLeod, 1990-10-15 McLeod is a renowned scholar of Sikhism. . . . [This book] confirms my view that there is nothing about the Sikhs or their religion that McLeod does not know and there is no one who can put it across with as much clarity and brevity as he can. In his latest work he has compressed in under 150 pages the principal sources of the Sikh religion, the Khalsa tradition and the beliefs of breakaway sects like the Nirankaris and Namdharis. . . . As often happens, an outsider has sharper insight into the workings of a community than insiders whose visions are perforce restricted.—Khushwant Singh, Hindustan Times

The Guru Investor John P. Reese, Jack M. Forehand, 2009-02-03 Today's investor is faced with a myriad of investment options and strategies. Whether you are seeking someone to manage your money or are a self-directed investor deciding to tackle the market on your own, the options can be overwhelming. In an easy-to-read and simple format, this book will dissect the strategies of some of Wall Street's most successful investment gurus and teach readers how to weed through the all of the choices to find a strategy that works for them. The model portfolio system that author John Reese developed turns each strategy into an actionable system, addressing many of the common mistakes that doom individual investors to market underperformance. This book will focus on the principles behind the author's multi-guru approach, showing how investors can combine the proven strategies of these legendary gurus into a disciplined investing system that has significantly outperformed the market. Gurus covered in the book are: Benjamin Graham; John Neff; David Dreman; Warren Buffett; Peter Lynch; Ken Fisher; Martin Zweig; James O'Shaughnessy; Joel Greenblatt; and Joseph Piotroski.

Oracle Wait Event Tuning Stephen Andert, 2004-10 This handbook provides database administrators with clear and concise processes with which to attack tuning problems using Oracle Wait Interface. A guide is provided to demonstrate the mechanics of the Wait Interface and how to use it not only to tune database performance at the database level but also to give the statistics needed to understand problems that lie outside of the database in the SAN or the network. Techniques that apply to tuning any Oracle database from version 7 through 9i and beyond are included.

Teachings of the Sikh Gurus Christopher Shackle, Arvind Mandair, 2013-07-04 Recognized masterpieces of Indian literature, the Guru Granth Sahib and the Dasam Granth are fundamental to the Sikh religion, not only in the physical layout of temples and in ceremonies of worship, but as infallible reference texts offering counsel and instruction. *Teachings of the Sikh Gurus* presents a brand new selection of key passages from these sacred scriptures, translated into modern English by leading experts, Christopher Shackle and Arvind-pal Singh Mandair. Including six longer compositions and many shorter hymns thematically organised by topics such as Time and Impermanence, Self and Mind, Authority, and Ethics, the book's accessible and carefully chosen extracts distil the essence of Sikhism's remarkable textual and intellectual legacy, depicting how its message of universal tolerance suits the contemporary world. The detailed introduction and notes to the translations aid readers' comprehension of the hymns' form and content, as well as providing some historical context, making it an ideal introduction to Sikh literature.

A Guru's Journey Sarah Morelli, 2019-12-20 An important modern exponent of Asian dance, Pandit Chitresh Das brought kathak to the United States in 1970. The North Indian classical dance has since become an important art form within the greater Indian diaspora. Yet its adoption outside of India raises questions about what happens to artistic practices when we separate them from their broader cultural contexts. *A Guru's Journey* provides an ethnographic study of the dance form in the San Francisco Bay Area community formed by Das. Sarah Morelli, a kathak dancer and one of Das's former students, investigates issues in teaching, learning, and performance that developed around Das during his time in the United States. In modifying kathak's form

and teaching for Western students, Das negotiates questions of Indianness and non-Indianness, gender, identity, and race. Morelli lays out these issues for readers with the goal of deepening their knowledge of kathak aesthetics, technique, and theory. She also shares the intricacies of footwork, facial expression in storytelling, and other aspects of kathak while tying them to the cultural issues that inform the dance.

Getting the books **The Guru Formula 10** now is not type of inspiring means. You could not only going in imitation of books buildup or library or borrowing from your links to log on them. This is an utterly easy means to specifically get lead by on-line. This online declaration **The Guru Formula 10** can be one of the options to accompany you considering having other time.
