Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth Pedro C. Arceno Jr, 2019-07-22 Volume 1 of the book will discuss the true gospel of Jesus(as), which is about the imminent coming of the Son of Man and the establishment of the universal kingdom of God on earth. We will emphasize the fact that the entire ministry of Jesus(as) is all about the good news of the imminent fulfillment of the 'Son of Man' prophecy and the 'Kingdom of God' prophecy of Prophet Daniel(as) as written in the Bible. Based on the correct context and interpretation, the "Son of Man" mentioned by Jesus(as) refers to Prophet Muhammad(saw) and the "kingdom of God" refers to Islam. Volume 2 will discuss about the fulfillment of the Seventy Weeks prophecy of Prophet Daniel(as). This prophecy is actually a countdown to know the year Jesus(as) and Muhammad(saw) will come on earth. Jesus(as) is expected to arrive in the sixty-ninth week of the countdown, and Prophet Muhammad(saw) will arrive in the seventieth week of the countdown. Its exact fulfillment in history (such as the year of their birth, the starting year of their ministry and the year their messianic mission will be accomplished) is a miracle or sign from God Almighty (Qur'an 20:133) and a clear evidence (Qur'an 61:6) attesting the veracity of the prophethood of both Jesus(as) and Muhammad(saw). This will explain to us why there were Jews in Judea who knew what time or year Jesus(as) will arrive on earth; and why there were Jews in Yathrib Arabia who knew what time or year Muhammad(saw) will emerge as Messenger of God.

What in the World is Going On? Dr. David Jeremiah,2010-08-08 In the New York Times best-selling book, What in the World Is Going On?, Dr. David Jeremiah answers the hard questions, including these: How is prophecy playing out in modern Europe? Why does Israel matter? How are oil reserves and Islamic terrorism related? Does the United States play a role in prophecy? How should we live in the end times? In What in the World Is Going On? Dr. David Jeremiah answers the hard questions, including these: How is prophecy playing out in modern Europe? Why does Israel matter? How are oil reserves and Islamic terrorism related? Does the United States play a role in prophecy? How should we live in the end times? Daniel Charlene R. Fortsch, Erica Dissler,2005-10 Some dreams or visions, if they are symbolic in nature, require an interpretation. This unique book Daniel: Understanding the Dreams and Visions unlocks and explains the structure and mysteries of the prophecies in the book of Daniel. It reveals the keys that the prophet Daniel has presented to unlock the prophecies of the Bible. Daniel expounds the prophecies in four distinct visions of how God has revealed the rise and fall of the seven earthly kingdoms/empires many centuries in advance. The truths of these prophecies have withstood every attack from every scholar and skeptic. According to the Talmud and the Hebrew Scriptures, Daniel received and interpreted dreams and visions, similar to many other Jewish prophets. This new book brings much needed clarity to the text of the prophecies of Daniel through the definitions of codewords, maps, pictures, illustrations, charts, tables and secular historical records. The Author adds comments only where necessary. An understanding of the Old Testament book of

Daniel will set the foundation for a better understanding the prophecies in the book of Revelation. In this book the author adopts a detailed but simple approach to an intricate and complex web of prophetic truths of coming world events. The object of this book is to clarify the symbolisms and cryptic codes in the ancient yet futuristic prophecies of Daniel. For as Jesus said, And now I have told you before it come to pass, that, when it is come to pass, ye might believe. JOHN 14:29. Take heed that no man deceive you. Matt. 24:4.

Encyclopedia of Biblical Prophecy J. Barton Payne, 2020-09-30 After twenty years of research, Dr. J. Barton Payne has compiled the one complete guide to Biblical prophecy. From the prediction of Adam's death in Genesis 2: 17 to the prophecy of mankind's perpetual worship of God in the new heaven and earth (Psalm 72:5), the ENCYCLOPEDIA OF BIBLICAL PROPHECY discusses every verse of prophetic matter in Scripture. It identifies every probable point of fulfillment whether in the past, present, or still in the future. The first 144 pages of the ENCYCLOPEDIA OF BIBLICAL PROPHECY set forth a systematic approach to the subject of Biblical prophecy and the legitimate place for prediction in it. The ENCYCLOPEDIA is arranged according to the 66 books of the Bible. In each book, all the verses on one prophetic theme are treated in one combined discussion. For example: The 12 verses of Genesis that foretell God's granting of the land of Canaan to the descendants of Abraham are discussed together. It is then shown how the promise was fulfilled in the days of Joshua. One of the ENCYCLOPEDIA'S concluding summaries lists all the 737 major subjects that appear in Biblical prediction, with the books and paragraphs in which each is found. This way, each prophecy can be traced from its first appearance in the Bible to its last. Among the many features is a complete list of all the Scriptural prophecies pertaining to Christ. No other book has ever examined Biblical prophecy so thoroughly or presented it in such a balanced perspective as the ENCYCLOPEDIA OF BIBLICAL PROPHECY. •1,817 entries covering all the Biblical predictions in both the Old and New Testaments •A complete discussion of all 8,352 predictive verses in the Bible •14 tables, including three on the Book of Revelation •Bibliography •4 summaries •4 statistical appendixes •5 complete indexes An indispensable tool for students of the Bible, for students in theological seminaries and Bible colleges, for pastors as a reference guide, and for concerned lay people. The United States and Britain in Bible Prophecy United Church of God,2010-09-10 What's ahead for the United States and Britain? Is the world's most powerful nation—the United States of America—overlooked in Bible prophecy? Why are relatively small powers like Egypt, Syria and Lebanon mentioned, but no nation recognizable as the United States can be found? What about other major English-speaking nations such as the United Kingdom, Canada and Australia? In fact, many prophecies do mention these nations. But, without a proper understanding of history and the Scriptures, few can identify these countries and understand what lies ahead for them. The Bible study aid booklet, The United States and Britain in Bible Prophecy, takes you on a remarkable journey through history and Bible prophecy to reveal an incredible story with sobering implications for the major English-speaking nations. You can't afford to be without this priceless information. Chapters in this ebook: -- Two Nations That Changed the World -- God's Commitment to Abraham and

His Descendants -- What Is a Biblical Covenant? -- How God Shaped Israel's Future -- Does God Keep His Word? -- How Jacob Became Abraham's Heir -- Israel's Golden Age -- With Justice for All -- International Trade: A Source of Solomon's Wealth -- God's Covenant With David -- Were All the Israelites Deported? -- Are All Israelites Jews? -- The Mysterious Scythians Burst Into History -- Celts and Scythians Linked by Archaeological Discoveries -- Linguistic Links: What's in a Name? -- The Label Celt and Celtic Society -- Prophecies of Israel's Resettlement in Northwestern Europe -- Britain and the United States Inherit Joseph's Birthright -- Benjamin Disraeli: Maestro of Empire - - Advocates of British-Israelism -- The Bible In British and American History -- From Punishment to Destiny -- Dual Fulfillment in Bible Prophecy -- The Geography of Celtic-Scythian Commerce Inside this Bible Study Aid ebook: Why has history been so benevolent and economically generous to Britain and the United States? Why have they been blessed so favorably over the nations that preceded them in history? The answer lies in the understanding and fulfillment of biblical prophecy. God's promise to Abraham was not limited to a small and ancient people in the Middle East. It extends far into the future, and it is not limited by national boundaries. Where can we find the descendants of Joseph, the lost tribes of Ephraim and Manasseh? This list of blessings eliminates most of the nations of the world as contenders. To find them we must ask: Which nations possess these blessings in our world? When we understand that the modern descendants of Joseph are the people of the United States and Britain, we see that over the past three centuries God has been true to His promises. Though the United States and Britain do not appear in the Bible's prophecies of the end time under their present names, God hasn't ignored these nations. He identifies them in prophecy according to their ancestry. Most people simply haven't known where to look for them.
