Atlantis Rising T. A. Barron,2013-09-26 From T.A. Barron, the New York Times bestselling author of the Merlin Saga, comes a new fantasy world about the origins of Atlantis, perfect for fans of The Lord of the Rings, Eragon, The Beyonders and Percy Jackson and the Olympians. In a magical land called Ellegandia, a young boy named Promi scrapes by, stealing pies, cakes and sweets to survive. But little does he know that his country is a pawn in an ages-old war between good and evil, battled both in the spirit realm and in the human world. Harboring secrets of his own, Promi teams up with a courageous girl named Atlanta and the two vow to save their land—and each other—no matter the cost. But their vow has greater repercussions than they ever could imagine—in fact, it may just bring about the creation of Atlantis, an island cut off from the rest of the world, where magic reigns supreme. With his trademark action, adventure, and poignancy, master of fantasy, T.A. Barron explores a new mythology—the origin of the legendary isle of Atlantis. This book is perfect for fans of Rick Riordan, Brandon Mull, Christopher Paolini and, of course, T. A. Barron’s Merlin Saga. Praise for T. A. Barron’s novels: “Brilliant, significant, and illuminating . . . an intense and profoundly spiritual adventure.”—Lloyd Alexander “A crescendo of miracles.”—Madeleine L’Engle “Interesting and august . . . compelling.”—The New York Times “In the best tradition . . . classic.”—Parents Magazine

Atlantis Rising Brad Steiger,1973

Atlantis Rising Patricia Cori,2008 Describes the unrecorded history of humanity with a particular emphasis on Atlantean civilization; presents a vision of our true destiny as guardians of Earth and free-willed, conscious participants of our evolving world--Provided by publisher.

Rise of Atlantis Robert Estape,2021-09-27 Zach is a brilliant teen and much more than meets the eye. He’s actually a demigod and the newest member of a secret sect of technologically enhanced young men and women called Olympians. They follow in the footsteps of the extraterrestrial mythological gods of ancient Greece who terraformed and colonized planet Earth. Zach and his fellow divine descendants must continue the work of the ancients to save the planet from ecological disasters and intervene in human affairs, preserving all life at home and in the galaxy. However, Zach is a teenager, and he still struggles with teenage problems like infatuation and dealing with an overprotective mother. In the face of environmental and other calamities, these gods, transhumans, cyborgs, and artificial intelligence work behind the scenes in anonymity to save humanity. However, will there come a time when a madman or woman, a fed up god, or an unfeeling AI, or an alien decides humanity isn’t worth saving? Zach and his cohorts must keep that from happening.

The Rise and Fall of Atlantis J S Gordon,2012-01-01 Could the lost civilization of Atlantis provide the answer to the origins of human existence? In his controversial new study, John Gordon examines the evidence and makes some startling discoveries. Though many have dismissed Plato’s account of the vanished continent and its people as fantasy, Gordon argues that not only is the story true, but it’s a brilliant and complex metaphor for cosmic creation. Gordon’s research leads him to oppose modern scientific orthodoxy on a range of accepted ideas from the Big Bang theory to Darwinian evolution. He questions the concept that humans emerged relatively recently; the notion that dinosaurs became extinct due to an asteroid impact; and the belief that present-day global warming has a human cause. It’s an eye-opening look at our world.

Atlantis Redeemed Alyssa Day,2010-03-02 The fate of Atlantis is on the line-and the future of the world is at stake... Poseidon's warriors have learned that the battle to protect humanity produces unexpected enemies-and alliances. But none more unexpected than the bond between a cursed Atlantean warrior and a woman whose sight surpasses any lie.

Atlantis Rising Brad Steiger,1973

Heart of Atlantis Alyssa Day,2012 As a war wages between the immortals of Atlantis and those of the vampire realm, a Poseidon warrior fights to save his world--and the woman he loves. And no risk is too great. The desires of a high priest. Alaric, Poseidon's High Priest, has made a vow to Quinn, the woman he loves and the leader of the Resistance: to save her friend Jack before his last bit of humanity has been drained. Should Alaric succeed, there's one intimate danger: he may lose Quinn to the love of the man whose life he saved. But damn Atlantis to the nine hells, he's willing to put Quinn's wishes first, regardless of the consequences. The warning of a threat reborn. The final jewel of Poseidon's trident has turned up in the hands of mysterious Ptolemy Reborn, who claims to be descended from Atlantean royalty. He's about to reveal to the world that Atlantis is real, positioning himself as king. But this magical terrorist is bent on chaos. The only warrior who can stop him is following his own path, driven by the even more powerful force of love. Atlantean powers over the sea could prove just as cataclysmic--for Quinn's love, Alaric might drown the entire world.

Atlantis Rising Percival Constantine,2016-10-05 When what appears to be the skeleton of an ancient being is discovered, it triggers a chain of events that could very well lead to the end of the world. Now, Elisa Hill is the only one who can prevent the rise of an ancient evil, but is this too big even for her? The Myth Hunter epic concludes here!

While she is there, she learns that she is needed on Earth to destroy Atlantis which has risen from the bottom of the ocean floor. Centuries ago, six Olympians ordered the future rise of Atlantis and mandated that their clones take over their rule. Realizing their grave mistake, they plead with Amanda to go to Atlantis and find the human man Pallid, who can stop their clones with a simple password. Taking her sister with her, Amanda meets up with Pallid and his friend, Jake. To escape the military officials scouting out the city, Amanda's magic sends them back in time before Atlantis' fall. Atlantis is the city of perfection where beauty and youth are praised among all who live there. The Atlantian Chronicles Gary English,2013-11 What if there were still living survivors from the sunken island of Atlantis, and what if they find

themselves suddenly thrust back to the surface and into a world they know little about? Survival is the force which guides their actions, and humankind only a means to an end. What will happen? Who decides who lives and who dies? Between these pages lie the answers to these questions and more. The Atlantian Chronicles is a story of survival, mystery, betrayal, and of two mismatched lovers whose accidental encounter becomes a means for humankind's survival. The initial encounter puts the whole planet on edge, altering our concept of the world and the universe itself. What happens next may surprise you, yet one question still remains to be answered. Would you make the same desperate choices these Atlantians made in order to survive?
