**Google Semantic Search** David Amerland, 2013-06-27  
Optimize Your Sites for Today's Radically New Semantic Search Breakthrough "semantic search" techniques are already transforming Google™'s search results. If you want to be found, yesterday's SEO techniques won't cut it anymore. Google Semantic Search tells you what to do instead—in plain English. David Amerland demystifies Knowledge Graph™, TrustRank™, AuthorityRank™, personalized and mobile search, social media activity, and much more. Drawing on deep knowledge of Google's internal workings and newest patents, he also reveals the growing impact of social networks on your SEO performance. Whether you do it yourself or supervise an agency, this is your complete playbook for next-generation SEO! • Learn how Google is delivering answers, not just links—and what it means to you • Profit from Google Now™ and the fragmented, personalized future of search • Prepare for Knowledge Graph™ by growing your online reputation, authority, and trust • Stop using 10 common SEO techniques that no longer work • Discover the truth about Trust Ranking™—and 10 steps to take right now • Go way beyond keywords in today's new era of content marketing • Strengthen the "social signal" you create on Twitter, Facebook, Google+, and LinkedIn • See why the "First Page of Google" is rapidly become obsolete • Drive unprecedented business value from your online identity and influence • Learn how Google captures meaning in unstructured data—and give it what it wants • Plan for all "4 Vs" of semantic search: Volume, Velocity, Variety, and Veracity • Rapidly transition from technical to strategic search optimization

The SEO Blueprint David Krevitt, Ryan Stewart, 2020-02-26  
Rank in Position 1, Increase Revenue, Crush Competition If you can rank your website 1st in Google, your business make more money. But you already know that...otherwise you wouldn't be here. We've been in the same spot as you, when we've done everything we can to rank well, but there always a few sites that we just can't seem to outrank. What if you knew exactly what you needed to do to beat them? How can we promise you these amazing results? After 10 years of doing SEO for clients, author Ryan Stewart's agency (WEBRIS) was acquired. Why? The agency was an attractive asset because of its uncanny ability to deliver the highest quality SEO services across hundreds of websites and get results every time. Read that last sentence again...GET RESULTS EVERY TIME. And in The SEO Blueprint, he's literally giving you their success formula! Here's what you'll learn inside The SEO Blueprint: The types of keywords you should try to rank first (follow this and you'll make money faster) How competitors can help any page rank for MORE keywords The type of page you should NEVER build links to (this will save you money, and possibly avoid disaster!) How to know exactly what type of content to write so that search engines love every time page you write How to audit your site for hidden problems & what to do when you find them Why Google may never rank your content (even though it's brilliant!) Which of your site's pages have the most potential (& which you shouldn't waste your time on) The 15 errors that can ruin any chance of your site seeing page 1, and how to fix them fast How to know if a keyword is worth going after (this will save you tons of lost time, effort & money) How to structure your website properly (this will help you win those massive head keywords) And much more! Plus a FREE goody bag with everything you need to run a website like a boss! Aside from the years of SEO experience packed into this book, you'll also get free access (FOREVER) to the tools & templates we use to make SEO

campaigns so much easier to run. Imagine how much of an edge over your competitors all this will give you... Take action to start ranking your site better today, scroll up, and buy *The SEO Blueprint* now! Editorial reviews I've been working in the SEO industry for 10+ years - this is by far the best book on subject that I've read. Brent Carnduff, Amazon.com This guy is legit. Save yourself 1000 hrs of study by picking up this gem. Cole L, Amazon.com What Ryan has created is a step by step no nonsense process on how to do SEO from the ground up. I already knew how to do SEO in bits and pieces, but Ryan really helped me to put everything together. Stephen, Amazon.com Easy read, well written and insightful. I don't have a ton of SEO experience so this book has been helpful. Pamela P, Amazon.com This book isn't all talk - there are real actionable processes and templates. Trevor Stolber, Amazon.com

*Off-Site Seo Guide: A Hands-On Seo Tutorial for Beginners & Dummies* Rana Tarakji, 2018-09-14 Have you ever wondered how search engines display websites in search engine results and how you can get your website to rank on the first page of Google organically? This book will teach you in detail how to do just that via off-site search engine optimization. What does SEO stand for? What's the difference between on-site SEO and off-site SEO and why does off-site SEO matter? In this book, we are going to answer all of the aforementioned questions as well as take a closer look at off-site or off-page search engine optimization and how to implement it correctly for online website success. We will discuss off-page SEO methods and strategies such as blogger outreach for link building, the Skyscraper link building technique, broken link building, white-hat link building, scholarship link-building and backlink building for e-commerce websites. We will also discuss and explore popular SEO tools and platforms such as Moz, Buzzstream, Buzzsumo, Ahrefs, and SEMrush. While off-page SEO may sound like a lot of technical jargon, it is incredibly important if you want people to find your website on search engines and

eventually purchase your products and services. Without a good search engine optimization strategy, you practically don't exist on Google as well as other search engines such as Yahoo and Bing. If you want to learn how to grow your website's online visibility and/or want to learn and practice new off-site SEO methods to grow your online presence and soar in the SERPs, then this book is for you!
