**A Memory of Light** Robert Jordan, Brandon Sanderson, 2013-04-09 The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! With Robert Jordan's untimely passing in 2007, Brandon Sanderson, the New York Times bestselling author of the Mistborn novels and the Stormlight Archive, was chosen by Jordan's editor—his wife, Harriet McDougal—to complete the final volume in The Wheel of Time®, later expanded to three books. In A Memory of Light, the fourteenth and concluding novel in Jordan's #1 New York Times bestselling epic fantasy series, the armies of Light gather to fight in Tarmon Gai'don, the Last Battle, to save the Westland nations from the shadow forces of the Dark One. Rand al'Thor, the Dragon Reborn, is ready to fulfill his destiny. To defeat the enemy that threatens them all, he must convince his reluctant allies that his plan—as foolhardy and dangerous as it appears—is their only chance to stop the Dark One's ascension and secure a lasting peace. But if Rand's course of action fails, the world will be engulfed in shadow. Across the land, Mat, Perrin, and Egwene engage in battle with Shadowspawn, Trollocs, Darkfriends, and other creatures of the Blight. Sacrifices are made, lives are lost, but victory is unassured. For when Rand confronts the Dark One in Shayol Ghul, he is bombarded with conflicting visions of the future that reveal there is more at stake for humanity than winning the war. Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. **Wheels of Light** Fr. Con Buckley, 2015-02-12 These introductions, homilies, reflections, and prayers are not theory, but a priest's experience of a liturgical approach that works. The testimony of the faithful who say, what a lovely mass..what a moving homily, could I have a copy?, is his touchstone. So is the popularity of the homilies on his internet,web, A Priest Reflects. This book works because it treats each Sunday liturgy as a seamless robe of rich interwoven themes. Thus, the introduction identifies the links between the Old Testament reading and the Gospel, and adds any gems from the second reading. Then, when the scripture is read, people, clued in to the overall import, listen more profitably. The homily elaborates the key themes from the readings further, and relates them to life, with stories, anecdotes, newspaper headlines, references to common events etc. The aim is that the Word should light up our contemporary experience.. The final doxology reinforces the point that the Word is life for this world, not just the next; The creed introduction summarizes the whole, and the prayers carry that on into petitions for church leaders, civil authorities, youth, the sick, the dead, and special needs. There are special prayers for our youth, that gaps in our congregations there will be bridged. And the presiding minister should add other topical issues of the day. The reflection after holy communion again reinforces the overall message, but also leaves the people of God with something spicy and memorable to take home. So, all in all, this book should light up our masses, or services, and make them gospel based, relevant, inspirational, and focused.. The homilies are timed at about five minutes, people's normal attention span. So don't miss out on this innovative book. Buy it, and it will light up your Sunday mass, and provide spiritual food for the following week.

*The Wheel of Life* Dalai Lama, 2015-10-20 Using the traditional Buddhist allegorical image of the Wheel of Life and the teaching of the twelve links of dependent origination, the Dalai Lama deftly illustrates how our existence, though fleeting and often full of woes, brims with the potential for peace and happiness. We can realize that potential by cultivating a wise appreciation of the interdependency of actions and experience, and by living a kind and compassionate life. A life thus lived, the Dalai Lama teaches, becomes thoroughly meaningful for both oneself and for others. This book was originally published under the title *The Meaning of Life*.

*The Land of Light* Hilton Hotema, 2018-12-05 In *The Land of Light*, which was first published in 1959, Professor Hilton Hotema has correlated all of the various interpretations of the works on the Tarot into one harmonious whole. Hotema says a true decipherment of the Tarot Symbolism must conform to the principles of the Ageless Wisdom of the Ancient Masters as preserved in the symbology and allegory contained in the Christian Bible and in other ancient scriptures, otherwise the interpretation will fail to agree with the teachings of the Masters who originated and designed the Major Arcana. The 78 Tarot Cards are fully illustrated. The Ancient Tarot was the oldest Bible on earth, and an interpretation of its mysterious symbolism reveals the Cosmic Phenomena that was presented to the Neophyte in the Sacred Drama of the Initiation in the Ancient Mysteries which included the strangest mysteries of Life, such as Reincarnation, Resurrection and Eternal Life. Hotema with his penetrating pen and wisdom clearly shows you secrets you have not known before. "Hotema's folios astound me with the information they reveal."—T. P. McG., N.Y. "We consider Prof. Hotema one of the world's greatest teachers."—Grant E. Hockens, N.Y. "We are slowly and gradually led into the realm of genius, and shown the answers to many profound anthropological and psychological problems that have perplexed the best scholars for ages. It was left for the mind of Prof. Hotema to correlate and analyze all existing data, as well as to decode the symbols and allegories of the Ancient Masters, and to reach and explain the facts and conclusions which are of immense value to mankind, both new and in the future. The interpretation of the ancient Tarot symbolism is a great work, possibly his greatest [...]"—Wm. C. Lloyd, Burlington, N.C. "Hotema is a thinker far above the best scientists, for he is not afraid to oppose them and show where they are wrong."—A. F., California

*Soul of Light* Joma Sipe,2012-11-06 The visionary art of Portuguese artist Joma Sipe is all about light-not the ordinary light of day but the light of spiritual illumination, which brilliantly radiates from the over one hundred, full-color images in this stunning book. Sipe thinks of his work as sacred geometry that unites this temporal world with higher planes. Each painting thrills with the dispersion and concentration of light that seems to emanate from every line. Sipe regards it as springing from the heart of the universal Energy that shines forth in everything that exists. According to Sipe, his paintings come completely from inner inspiration. As if by their own volition, the thin silver or gold ink pen he holds will begin to move until the canvas is filled. Sipe then energizes certain points in the drawing with crystals, a process that infuses the work with spiritual intensity. Finally, he adds light and soft-color computer effects to achieve an ethereal quality. Many works in this volume are also accompanied by his mystical poetry. Since childhood, Sipe has been influenced by painters of the late nineteenth-century Symbolist Movement. He feels profoundly connected with early Theosophist H. P. Blavatsky and believes his works “not only provide an image of the nucleus of the universal brotherhood of humanity, they also mirror the laws of nature and the powers latent in humankind.” Sipe has also studied Rudolf Steiner, Eliphas Levy, G. I. Gurdieff, the contemporary Gnostics, and the spirituality of Hindu teacher Paramahansa Yogananda and Eckart Tolle, who in turn led him to A Course in Miracles. His knowledge of occult anatomy and the chakras, meditation, alchemy, and the Kabbalah contributes to the wealth of esoteric wisdom he brings to bear in his art. All helps him reflect on canvas his powerful sense of the sacred that seems to illuminate the very being of the viewer as well as of the artist and his visionary world.
