Noah Primeval Brian Godawa,2015-02-01 This is not your Sunday School Noah's Ark.Noah Primeval is a speculative retelling of the beloved story of Noah for a new generation. In an ancient world submerged in darkness, fallen angels rule as gods and breed giants and monsters. Mankind is enslaved to evil. Noah, a tribal leader, has been prophesied to bring an end to the rule of these gods and save humanity from coming destruction. But Noah's wife and son are captives of these dark forces. To rise against this supernatural evil and rescue his family Noah will need an equally supernatural army. But why has God told him to build a huge box out of gopher wood?Godawa is known as an author who both entertains and educates. Inspired by Michael Crichton's novels, Godawa has adapted his Hollywood screenwriting background into his prose style to create a reading experience that is like watching a movie. Also similar to Crichton, Godawa has sought to provide the scholarly research that undergirds the fictional adventure. Noah Primeval has an additional 100 pages of special appendixes that provide an explanation of Biblical concepts in the novel such as the Sons of God, the Nephilim, Leviathan, and the ancient Mesopotamian Cosmography in the Bible.Noah Primeval is written in the spirit of The Chronicles of Narnia and The Lord of the Rings, blending fantasy and mythopoeia with history to retell the Biblical narrative with a fresh perspective, while staying true to the original spirit of the story.

Born a Crime Trevor Noah,2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

The Summer Dragon Todd Lockwood,2017-05-02 The debut novel from the acclaimed illustrator--a high fantasy adventure featuring dragons and deadly politics. Maia and her family raise dragons for the political war machine. As she comes of age, she hopes for a dragon of her own to add to the stable of breeding parents. But the war goes badly, and the needs of the Dragonry dash her hopes. Her peaceful life is shattered when the Summer Dragon—one of the rare and mythical High Dragons—makes an appearance in her quiet valley. The Summer Dragon is an omen of change, but no one knows for certain what kind of change he augurs. Political factions vie to control the implied message, each to further their own agendas. And so Maia is swept into an adventure that pits her against the deathless Horrors—thralls of the enemy—and a faceless creature drawn from her fears. In her fight to preserve everything she knows and loves, she uncovers secrets that challenge her understanding of her world and of herself.
