

Thepass

Rebecca Jenshak

The Pass Rebecca Jenshak,2020-12-08 I've been in love with her for two years. The first time around, I screwed things up. I hesitated and the moment was gone. I passed when I shouldn't have. Not a total loss. I gained a best friend instead of whatever we might have been. Sydney is hands down the best thing that's ever happened to me, and I'll do anything to keep her in my life. Even bury my feelings deep inside. But one hot summer together at the lake filled with lots of teeny-tiny bikinis and I'm ready to risk it all for a second chance. It's time to take my shot. For fans of: Helena Hunting, Elle Kennedy, Lauren Asher, Emily Henry, Avon Gale, Toni Aleo, Kristen Callihan, LJ Shen, Jana Aston, Karina Halle, Meghan March, Jay Crownover, Anna Todd, Geneva Lee, Audrey Carlan, Jill Shalvis, Helen Hoang, Christina Lauren, Sally Thorne, Penny Reid, Julia Kent, Kelly Jamieson, Kendall Ryan, Kennedy Ryan, Lauren Blakely, Lexi Ryan, Jen Frederick, Sara Ney, Nana Malone. Keywords: basketball, basketball romance, sports romance, new adult romance, sexy romance, steamy romance, valley u basketball, alpha males, alpha romance, roommates, best friends to lovers, college romance, summer romance, beach read.

Over the Pass Frederick Palmer,1912 This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

The Pass Espe,2022-04-26 Camille and Bastien are overjoyed at the birth of their second child. Buttheir happiness is short-lived. Soon after Louis is born, he is diagnosed withsevere heart defects. Because of his young age, he must wait forsurgery--and the operation could prove fatal. During the tense andbewildering months that follow Louis's diagnosis, his parents find somecomfort in Camille's father, Pablo, who comes to help in spite of thecancer that is eating away at him little by little. Their long wait turns into ajoyful interlude of games, tenderness, and love between Louis and Pablo, anexperience that will remain forever engraved in their lives. Inspired byreal events, this emotionally engaging follow-up to Espé's TheParakeet continues the story of Bastien, now a father, as he copes with everyparent's biggest fear: that he could lose his child.

The Pass Stewart Edward White,1906

The Pass Stewart Edward White,2016-05-17 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work.This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Post-Authorization Safety Studies of Medicinal Products Ayad K. Ali,Abraham G. Hartzema,2018-06-27 Post-Authorization Safety Studies of Medicinal Products: The PASS Book bridges the gap in the literature by providing a complete look at post-authorization safety studies and important pharmacoepidemiology and pharmacovigilance aspects. It covers various types and limitations of active surveillance programs, including the use of large databases and disparate data sources for rapid signal detection, as well as novel and advanced design and analysis approaches for causal interference from observational data. This book serves as an important reference for pharmacovigilance scientists and pharmacoepidemiologists who are searching for the appropriate study design to answer safety research questions. Readers will be able to effectively and efficiently design and interpret findings from post-authorization safety studies with the goal of improving the benefit-risk balance of a drug in order to optimize patient safety. Discusses all types of observational studies in post-marketing drug safety assessment, from spontaneous reporting systems, to pragmatic trials, with examples from real-world settings Presents various types of post-authorization safety studies Offers solutions to the common challenges in the design and conduct of these studies Highlights active surveillance programs, including common data models for rapid signal detection of drug safety issues

Streetcars at the Pass Ron Lamont Dawson,2003

Beyond the Pass James A. Millward,1998-06-01 As analysis of the revenue available to Qing garrisons in Xinjiang reveals, imperial control over the region in the eighteenth and nineteenth centuries depended upon sizeable yearly subsidies from China. In an effort to satisfy criticism of their expansion into Xinjiang and make the territory pay for itself, the Qing court permitted local authorities great latitude in fiscal matters and encouraged the presence of Han and Chinese Muslim merchants. At the same time, the court recognized the potential for unrest posed by Chinese mercantile penetration of this Muslim, Turkic-speaking area. They consequently attempted, through administrative and legal means, to defend the native Uyghur population against economic depredation. This ethnic policy reflected a conception of the realm that was not Sinocentric, but rather placed the Uyghur on a par with Han Chinese. Both this ethnic policy and Xinjiang's place in the realm shifted following a series of invasions from western Turkestan starting in the 1820's. Because of the economic importance of Chinese merchants and the efficacy of merchant militia in Xinjiang, the Qing court revised its policies in their favor, for the first time allowing permanent Han settlement in the area. At the same time, the court began to advocate provincehood and the Sinicization of Xinjiang as a resolution to the perennial security problem. These shifts, the author argues, marked the beginning of a reconception of China to include Inner Asian lands and peoples—a notion that would, by the twentieth century, become a deeply held tenet of Chinese nationalism.

Placard Holder in the Pass Peeyush Maniyambath,2017-12-11 Keshav, an itinerant worker, finds himself stranded in a small town in a mountain pass, delivered there accidentally by a truck driver who was a regular there. Locals bring him to the town eatery, where he encounters Aziz, the friendly proprietor of the place. There, he finds a home and a strange calling: standing by the highway and holding a placard advertising the presence of the eatery. Keshav befriends Kili, an inhabitant of the surrounding hillsbefore reappearing with his stunning bride, Chameli. He also meets a wide variety of peopleWhite, a doctor with an ornithological slant of mind who traverses the pass regularly; his faithful driver, Babu; and Keith, a decaying long-term resident of the pass who tried unsuccessfully to live with Tina, his sister in the UK. The moodiness of the unique weather and topography of the pass remains a constant backdrop as Chamelis disillusionment with Keshav grows in the presence of other ardent admirers. Keith finds himself battling depression and alcoholism, despite Whites attempts to help him; Kili too suddenly disappears. Gradually the lives of those around Keshavthose who chose the pass as their home, perhaps not as a matter of choice but more due to compulsionbegin to disintegrate. In this novel, a migrant worker builds a new life for himself in a small mountain town, only to see it fall apart amidst love, betrayal, and sorrow.

Reconnaissance of the Geology and Ground-water Resources of the Pass Creek Flats Area, Carbon County, Wyoming Frank Newell Visser,Walton Henry Durum,1952

From the Pass to the Pueblos George D. Torok,2019-09-07 El Camino Real de Tierra Adentro, the Royal Road of the Interior, was a 1,600-mile braid of trails that led from Mexico City, in the

center of New Spain, to the provincial capital of New Mexico on the edge of the empire’s northern frontier. The Royal Road served as a lifeline for the colonial system from its founding in 1598 until the last days of Spanish rule in the 1810s. Throughout the Mexican and American Territorial periods, the Camino Real expanded, becoming part of a larger continental and international transportation system and, until the trail was replaced by railroads in the late nineteenth century, functioned as the main pathway for conquest, migration, settlement, commerce, and culture in today’s American Southwest. More than 400 miles of the original trail lie within the United States today, and stretch from present-day San Elizario, Texas to Santa Fe, New Mexico. This segment comprises El Camino Real de Tierra Adentro National Historic Trail. It was added to the United States National Trail System in 2000 and is still in use today. This book guides the reader along the trail with histories and overviews of places in New Mexico, West Texas and the Ciudad Juárez area. It includes a broad overview of the trail’s history from 1598 until the arrival of the railroads in the 1880s, and describes the communities, landscape, archaeology, architecture, and public interpretation of this historic transportation corridor.

The Pass John van Buren,2014-07-08 The Pass is a humorous yarn about the first eight years of John van Buren’s farming career. Set at Okuku Pass Station in North Canterbury, New Zealand, the book follows John as he learns the arts of farming, rodeoing, playing rugby and generally having a good time in rural New Zealand. Told in the manner of a good kiwi bloke, the story will have you laughing with and at the characters you meet along the way. Enjoy the mirth as you saddle up and ride your way through the pages of this epic tale, told in a gripping, no holds barred narrative.

Over the Pass Frederick Palmer,1912 This is a pre-1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts - the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide.

The Pass-through of Wages to Consumer Prices in the COVID-19 Pandemic: Evidence from Sectoral Data in the U.S. Moya Chin,Ms. Li Lin,2023-11-10 We study the pass-through of labor costs to prices using a novel data-set that links industry-level wages to sectoral consumer prices through input-output tables. Pass-through increased during the COVID-19 pandemic recovery, temporarily in goods and persistently in services. Our analysis suggests that the elevated pass-through contributed at least 0.8 percentage points to goods inflation in 2021 and 0.7 percentage points and 0.5 percentage points to services inflation in 2021 and 2022, respectively. We find that the increase in pass-through reflects elevated demand in goods sectors and firms' difficulty in absorbing high wage growth in services sectors. The analysis suggests it will take a reduction in wage growth to bring PCE inflation back to target. Fiscal and monetary policies that help to re-balance the labor markets can facilitate this process.

The Pass of Bonholme O. Greene,1831

"Grandma, I Lost the Pass Code to My Brain!" Lois Dappen Hinkly,2015-06-29 “Grandma, I Lost the Pass Code to My Brain (and God is not helping me)! These are the exact words my six year old granddaughter said to me at the end of a really bad day. She was feeling disconnected from who she was and what she was capable of achieving at that moment in her life. She had lost her sense of ease within herself. Fortunately, through my experience teaching in public schools for 30 years, taking a wide variety of classes, and starting a business focusing on fun ways to learn about yourself — I knew what to say to her. My granddaughter is not alone. Many of us can feel lost or overwhelmed by daily events. It is time to share what I’ve learned with other caretakers of today’s children: parents, teachers, and leaders. In this book, the Nine Keys for Better Tomorrows help address issues that keep children and adults from reaching their potential, achieving their purpose, and finding fulfillment in life. You will learn how to: *Raise your listening, thought, emotion and energy INTELLIGENCES. *Build self esteem, stop invalidation, and know you matter. *Uncover your (and your children’s) self preferences through the science of numbers using birth dates and given names at birth. *Find out about the seasons of life through the Nine Year Cycle theory. *Learn from natural teachers: animals, fairy tales, cultural characters, color, and planets- so you, too, can build better tomorrows.

Force Six, The Annihilators 02 Sins of the Pass Drew Spence,2017-07-14 Episode 02 Sins of the Pass The Annihilator Jackie 5 and Beta One travel to Fronterra in search of the war criminal Tiber HenGemon. What they find when they find him is quite a fine find, indeed. They were a team of specialists assembled to bring order to a chaotic universe. Something went wrong when right became their final choice. See the transformation from Renegade outcasts to Legends. They are Force Six, The Annihilators. Story & art by Drew Spence.
