**Fifty Million Reasons** Heather Wardell,2013-12-02 Angela has typical lottery-player plans: help friends and family, give more to charity, and escape her rut. But when she wins big, she faces angry relatives, her own unexpected greed, and a lawsuit from the person who put her in that rut. Almost nobody treats her normally, and they've got fifty million reasons not to. She can buy anything she wants now, but can she buy the life she needs?

Dred Harriet Beecher Stowe,1856 Written partly in response to the criticisms of Uncle Tom's Cabin by both white Southerners and black abolitionists, Stowe's second novel, Dred, attempts to explore the issue of slavery from an African American perspective. California Split Allan Brown, 2017-03-26 California Split: Racing through the Sixties is a memoir of living through the turbulent sixties in the San Francisco Bay Area with detours to the Peace Corps, the Army, New York, and Europe. Mr. Brown was on the scene when it was all going down the anti-Vietnam war protests, the race riots, acid rock, the sexual revolution and the hippie invasion of the Haight Ashbury. Machine Interpretation of Line Drawing Images Sergey Ablameyko, Tony Pridmore, 2012-12-06 Line drawing interpretation is a challenging area with enormous practical potential. At present, many companies throughout the world invest large amounts of money and human resource in the input of paper drawings into computers. The technology needed to produce an image of a drawing is widely available, but the transformation of these images into more useful forms is an active field of research and development. Machine Interpretation of Line Drawing Images - describes the theory and practice underlying the computer interpretation of line drawing images and - shows how line drawing interpretation systems can be developed. The authors show how many of the problems can be tackled

and provide a thorough overview of the processes underpinning the interpretation of images of line drawings.

**Harriet Beecher Stowe: Dred** Judie Newman, 2015-01-31 This, the first modern edition of Stowe's second abolitionist bestseller, launched the novel back into the American literary canon, as a compelling dramatization of a heroic black revolutionary leading a community of escaped slaves. Writing strategically against slavery, Stowe deployed all the weapons in a great writer's armoury; romance, realism, religious appeal, Gothic, broad comedy, strong black women characters, frontier violence and a blistering satire on the American legal system. Essential reading for anyone who wants to understand the centrality of slavery to American literature and history- and for anyone who enjoys a great novelist writing at the height of her powers.
