A Rudimentary Treatise on Clock and Watch Making Edmund Beckett Denison,1850 A rudimentary treatise on clock and watch making: with a chapter on church clocks; and an account of the proceedings respecting the great Westminster Clock.

Hustle Harder, Hustle Smarter Curtis "50 Cent" Jackson,2020-04-28 NEW YORK TIMES BESTSELLER For the first time, Curtis “50 Cent” Jackson opens up about his amazing comeback—from tragic personal loss to thriving businessman and cable’s highest-paid executive—in this unique self-help guide, his first since his blockbuster New York Times bestseller *The 50th Law*. In his early twenties Curtis Jackson, known as 50 Cent rose to the heights of fame and power in the cutthroat music business. A decade ago the multi-platinum selling rap artist decided to pivot. His ability to adapt to change was demonstrated when he became the executive producer and star of *Power*, a high-octane, gripping crime drama centered around a drug kingpin’s family. The series quickly became “appointment” television, leading to Jackson inking a four-year, \$150 million contract with the Starz network—the most lucrative deal in premium cable history. Now, in his most personal book, Jackson shakes up the self-help category with his unique, cutting-edge lessons and hard-earned advice on embracing change. Where *The 50th Law* tells readers “fear nothing and you shall succeed,” *Hustle Harder, Hustle Smarter* builds on this message, combining it with Jackson’s street smarts and hard-learned corporate savvy to help readers successfully achieve their own comeback—and to learn to flow with the changes that disrupt their own lives.
