They together made A CUTE LOVE STORY which is completed 42,926 words romantic story of MBA college students set in lucknow. Fun, romance and sensual, the book revolves around the girl Aakriti and also Neeraj who learn the ultimate meaning of honesty, passion, and devotion and changed himself to be a true lover of the girl.Aakriti who after a lot of hard work and struggle ,manages to get into the MBA college finds herself to be attracted towards one of the senior who also started liking her a lot .Neeraj who himself was attracted towards Aakriti and likes her for her simplicity but remains reserved and never approached her. MBA College brought all new experiences for Aakriti, the environment in the hostel, the fun they use to have, different type of people and heavy loads of assignments, placement time, changing attitude of friends. Where on one side it all appears to be very tough to handle and life seems to be very difficult here, on the other hand life became pleasant for her after being friendly with khushi who later becomes her roommate.With time she realizes Neeraj was not serious about her, he behaves in the same way with other students and juniors and there was nothing special about her for him. She was heartbroken but she didn't said anything to him as she realized that he never made any commitment to her and wished him good luck and said bye forever . Where after that Aakriti suffered the pain and agony from being separated by her love, Neeraj realizes that Aakriti really loved him and started missing her. He realized he could not do without her and what he has lost. After the 3rd trimester break when Aakriti came back to lucknow and miss each and every moment in college when she saw him, Neeraj wasn't there for her. Khushi her roommate understands her feelings but didn't want her to live in fantasy and want her to move on. Once when she was sitting in her room someone knocked Aakriti's room and she was shocked after opening the door.Who was there at the door? Is this any how related to her dreams? Did she finally get her love? Will there be the successful ending for this cute love story ? Now a little about me.I am an avid reader of romance and love writing it as well. I have taken part in many of the poem/creative writing programmes in college and got certificates also. I believe the story would definitely fascinate the youngsters and for all other readers it would bring their old memories of college life back.
