World Series Poker Powerball Secrets, World Poker, 2018-04-21 PROVEN METHODS And Strategies To Winning WORLD Series Texas HOLD'EM Poker Tournament! The beginning When playing Texas Hold'em poker, every player is dealt two cards face down - these are called your 'hole cards'. Then there is a round of betting where you can Check, Bet or Fold. This stage of the game is known as pre-flop and what you should do is dependent on those hole cards, or starting hand. When all the betting has finished three shared cards are dealt face up in the middle of the table. This is called the flop. The flop The middle After this there is another round of betting, then a fourth shared card - called the turn - is dealt. The turn There is another round of betting then a final shared card - called the river - and a final round of betting. The river Your best Texas Hold'em hands will be made by using your hole cards and the five cards in the middle to make the best possible five card poker hand. Not sure what the best Texas Hold'em poker hands are? You can visit the poker hand rankings page for more information! So, for example, if you have 9-9 and the shared cards are 9-9-A-5-2 you have four-of-a-kind. If the shared cards were J-Q-K-7-2 you would only have two nines. Sometimes the best texas hold em hand is made by the five shared cards on their own. If they were 10-10-10-10-A and you had 9-9 your hole cards would not play as there is a four-of-a-kind of higher value already showing. The end There are two ways a hand can end. One is when the players in a hand turn over their hole cards and the player with the best hand wins. This is known as a showdown. The other is that someone will bet enough that everyone else folds. This is how most hands end in Texas Hold'em and that's the magic of the game - you don't always need the best hand to win. Now let's recap... Okay, let's go over how a Texas Hold'em poker hand works using only poker slang and see if you can keep up. Firstly, you are dealt your hole cards. Then there is a round of betting. Then the players remaining see a flop. Then there is another round of betting. Then you see a turn card. Then another round of betting. Then a final river card. Then one more round of betting. The best five card hand wins. Clear? Excellent. If not, have a read of our Poker Glossary. Comfortable with the rules so far? Ok Then Here's a few Tips; To be a truly great Texas Hold 'Em Poker player, you need to be able to read your opponents, ascertaining when they are bluffing and then they really have a solid hand. But learning some basic strategies and general rules will go a long way toward making sure you can at least hold your own in a friendly game. Two Things to Always Remember It may seem silly to be reminded of the following fundamental facts, but it's surprising how often players get swept up in the excitement of the game and forget the basics. 1. The two cards you hold are the only cards that set you apart from the other players

and give you the chance to win. 2. All of the face-up cards are community cards, shared by you and every other player. It's vital that you focus on what those cards could mean to someone else at least as much as you focus on what they mean to you. In particular, keep your eyes open for your opponents' straight and flush possibilities. Usually, the first decision you make in a hand of Texas Hold 'Em Poker happens with your only knowledge being what your two cards are. When you look at your cards, be careful not to reveal anything with your reaction -- facial or otherwise. Taking a sharp breath, no matter how quietly you do it, can tell a wily opponent all he needs to know to have an advantage over you. . How do you know if your cards are good? Treat Your Poker Like a Business ,2009-12 Poker star Dusty Schmidt presents his first book [¬ one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. Treat Your Poker Like A Business provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate grinder, Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [¬Raise: The Impossibly True Tale of Dusty Schmidt, [¬? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.
