**Speaking and Writing Strategies for the TOEFL iBT** Bruce Stirling, 2021-01-15 Increase your TOEFL iBT score by increasing your speaking and writing scores. How? By using the strategy called argument mapping. Why argument mapping? Because the TOEFL iBT speaking and writing sections are all argument-based tasks. That means if you want high speaking and writing scores, you must know how to map out (develop and deliver) spoken and written arguments, quickly and proficiently. With argument mapping, you will be able to do just that. Best of all, you can apply argument mapping to all six speaking tasks and both writing tasks. That means you will spend less time reading about strategies and more time practicing them. You Will Also Learn: \* Essential rhetorical strategies and opinion development strategies \* Step-by-step basic responses for all speaking and writing tasks \* Step-by-step advanced responses for all speaking and writing tasks \* Step-by-step emergency responses for all speaking and writing tasks \* How to revise your spoken and written responses to maximize scoring \* How to rate spoken and written responses quickly and proficiently **ARGUMENT DEVELOPMENT** Learn basic and advanced argument development strategies to maximize your speaking and writing scores. By doing so, you can increase your TOEFL score. **ARGUMENT MAPPING** Learn test-proven speaking and writing strategies quickly and proficiently using the graphics-based strategy called argument mapping. **SCORING STRATEGIES** Learn how to think like a TOEFL rater so you know exactly what to say and write to maximize scoring.

Babylon Paul Kriwaczek,2012-03-27 Civilization was born eight thousand years ago, between the floodplains of the Tigris and Euphrates rivers, when migrants from the surrounding mountains and deserts began to create increasingly sophisticated urban societies. In the cities that they built, half of human history took place. In Babylon, Paul Kriwaczek tells the story of Mesopotamia from the earliest settlements seven thousand years ago to the eclipse of Babylon in the sixth century BCE. Bringing the people of this land to life in vibrant detail, the author chronicles the rise and fall of power during this period and explores the political and social systems, as well as the technical and cultural innovations, which made this land extraordinary. At the heart of this book is the story of Babylon, which rose to prominence under the Amorite king Hammurabi from about 1800 BCE. Even as Babylon's fortunes waxed and waned, it never lost its allure as the ancient world's greatest city. Engaging and compelling, Babylon reveals the splendor of the ancient world that laid the foundation for civilization itself.
