Much Loved Mark Nixon, 2013-10-29 Award-winning photographer Mark Nixon has created a trove of quirky and nostalgic portraits of teddy bears and other stuffed animals that have been lovingly abused after years of play. MuchLoved collects 60 of these images along with their accompanying background tales. An exhibit in the photographer's studio led to a small sensation on the Internet when a few of the pictures circulated unofficially on scores of blogs and on many legitimate news sites. Viewers have been intrigued by the funny, bittersweet images and their ironic juxtaposition of childhood innocence and aged, loving wear and tear. When you see these teddy bears and bunnies with missing noses and undone stuffing, you can't help but think back to childhood and its earliest companions who asked for nothing and gave a lot back. Praise for Much Loved: "Much Loved is impossibly endearing in its entirety." —Brain Pickings

Fun Home Alison Bechdel, 2007 A fresh and brilliantly told memoir from a cult favorite comic artist, marked by gothic twists, a family funeral home, sexual angst, and great books. This breakout book by Alison Bechdel is a darkly funny family tale, pitch-perfectly illustrated with Bechdel's sweetly gothic drawings. Like Marjane Satrapi's *Persepolis*, it's a story exhilaratingly suited to graphic memoir form. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and a family babysitter. Through narrative that is alternately heartbreaking and fiercely funny, we are drawn into a daughter's complex yearning for her father. And yet, apart from assigned stints dusting caskets at the family-owned fun home, as Alison and her brothers call it, the relationship achieves its most intimate expression through the shared code of books. When Alison comes out as homosexual herself in late adolescence, the denouement is swift, graphic -- and redemptive.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Ducks, Newburyport Lucy Ellmann, 2019-08-20 WINNER OF THE 2019 GOLDSMITHS PRIZE • SHORTLISTED FOR THE 2019 BOOKER PRIZE • A NEW YORKER BEST BOOK OF 2019 • A NEW YORK TIMES NOTABLE BOOK OF 2019 • A TIME MUST-READ BOOK OF 2019 This book has its face pressed up against the pane of the present; its form mimics the way our minds move now toggling between tabs, between the needs of small children and aging parents, between news of ecological collapse and school shootings while somehow remembering to pay taxes and fold the laundry.—Parul Sehgal, New York Times Baking a multitude of tarts tarts for local restaurants, an Ohio housewife contemplates her four kids, husband, cats and chickens. Also, America's ignoble past, and her own regrets. She is surrounded by dead lakes, fake facts, Open Carry maniacs, and oodles of online advice about survivalism, veil toss duties, and how to be more like Jane Fonda. But what do you do when you keep stepping on your son's toy tractors, your life depends on stolen land and broken treaties, and nobody helps you when you get a flat tire on the interstate, not even the Abominable Snowman? When are you allowed to start swearing? With a torrent of consciousness and an intoxicating coziness, *Ducks, Newburyport* lays out a whole world for you to tramp around in, by turns frightening and funny. A heart-rending indictment of America's barbarity, and a lament for the way we are blundering into environmental disaster, this book is both heresy and a revolution in the novel.

Whole Earth Field Guide Caroline Maniaque-Benton, 2016-10-07 A source book for American culture in the 1960s and 1970s: "suggested reading" from the Last Whole Earth Catalog, from Thoreau to James Baldwin. The Whole Earth Catalog was a cultural touchstone of the 1960s and 1970s. The iconic cover image of the Earth viewed from space made it one of the most recognizable books on bookstore shelves. Between 1968 and 1971, almost two million copies of its various editions were sold, and not just to commune-dwellers and hippies. Millions of mainstream readers turned to the Whole Earth Catalog for practical advice and intellectual stimulation, finding everything from a review

of Buckminster Fuller to recommendations for juicers. This book offers selections from eighty texts from the nearly 1,000 items of “suggested reading” in the Last Whole Earth Catalog. After an introduction that provides background information on the catalog and its founder, Stewart Brand (interesting fact: Brand got his organizational skills from a stint in the Army), the book presents the texts arranged in nine sections that echo the sections of the Whole Earth Catalog itself. Enlightening juxtapositions abound. For example, “Understanding Whole Systems” maps the holistic terrain with writings by authors from Aldo Leopold to Herbert Simon; “Land Use” features selections from Thoreau's Walden and a report from the United Nations on new energy sources; “Craft” offers excerpts from The Book of Tea and The Illustrated Hassle-Free Make Your Own Clothes Book; “Community” includes Margaret Mead and James Baldwin's odd-couple collaboration, A Rap on Race. Together, these texts offer a sourcebook for the Whole Earth culture of the 1960s and 1970s in all its infinite variety.

Blindsight Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing

cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Passion for Paris David Downie,2015-04-28 A top-notch walking tour of Paris. . . . The author's encyclopedic knowledge of the city and its artists grants him a mystical gift of access: doors left ajar and carriage gates left open foster his search for the city's magical story. Anyone who loves Paris will adore this joyful book. Readers visiting the city are advised to take it with them to discover countless new experiences. —Kirkus Reviews (starred) A unique combination of memoir, history, and travelogue, this is author David Downie's irreverent quest to uncover why Paris is the world's most romantic city—and has been for over 150 years. Abounding in secluded, atmospheric parks, artists' studios, cafes, restaurants and streets little changed since the 1800s, Paris exudes romance. The art and architecture, the cityscape, riverbanks, and the unparalleled quality of daily life are part of the equation. But the city's allure derives equally from hidden sources: querulous inhabitants, a bizarre culture of heroic negativity, and a rich historical past supplying enigmas, pleasures and challenges. Rarely do visitors suspect the glamor and chic and the carefree atmosphere of the City of Light grew from and still feed off the dark fountainheads of riot, rebellion, mayhem and melancholy—and the subversive literature, art and music of the Romantic Age. Weaving together his own with the lives and loves of Victor Hugo, Georges Sand, Charles Baudelaire, Balzac, Nadar and other great Romantics Downie delights in the city's secular romantic pilgrimage sites asking , Why Paris, not Venice or Rome—the tap root of romance—or Berlin, Vienna and London—where the earliest Romantics built castles-in-the-air and sang odes to nightingales? Read *A Passion for Paris: Romanticism and Romance in the City of Light* and find out.

Oh Crap! Potty Training Jamie Glowacki,2015-06-16 From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that's “straight-up, parent-tested, and funny

to boot” (Amber Dusick, author of Parenting: Illustrated with Crappy Pictures). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it’s done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here’s the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20–30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie’s got you covered even if it takes a little longer). If you’ve ever said to yourself: -How do I know if my kid is ready? -Why won’t my child poop in the potty? -How do I avoid “potty power struggles”? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn’t theory, you’re not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good.
