Life's a Gamble Roy Brindley,2009-04-07 Roy Brindley has earned over a million pounds, has a contented family life, owns an incredible house and both a Porsche and a Ferrari. But he's not always had money to play with. In fact, he hasn't always had a home. Addicted to gambling like the majority of his family, Roy spent his teens and twenties in the bookies and, week in, week out, frittered away his entire pay packet as he attempted to chase his losses. By the time he was twenty-eight he was on the run from the police and living out of a cardboard box in Southsea. In 2002 he finally ended up in court and decided to turn his life around. After a chance viewing of the Hollywood poker film Rounders, he at last put his phenomenal mathematical talent to constructive use, and his domination of the European poker circuit began. From his dysfunctional early years, through a career as a greyhound trainer and journalist before playing cards for cash became his vocation, the story of Roy the Boy is both an inspirational rags-to-riches story of a man who learnt to trust something other than lady luck, and a fascinating insight into the glamorous, celebrity-filled and ever-more-popular world of poker.

Professional Authority After the Global Financial Crisis Malcolm Campbell-Verduyn,2017-08-10 This book challenges amoral views of finance as the leading realm in which mammon – wealth and profit – is pursued with little overt regard for morality. The author details an enhanced ethical emphasis by leading Anglo-American professionals in the aftermath of the 2007–8 global financial crisis. Instead of merely stressing expert knowledge, professionals sought to overcome the alleged impossibility of serving “two masters” – mammon and God – by embracing religious finance, socio-economic inequality, sustainability and other overtly moral issues. Continuities in liberal values and ideas, however, limited the impact of this enhanced ethical emphasis to restoring the professional authority, as well as to more fundamentally reforming of Anglo-American finance following the most severe period of instability since the Great Depression. Providing a nuanced account of post-crisis change and continuity in a crucially important industry, Campbell-Verduyn advances a dynamic, process-based understanding of authority that will appeal to international political economists and sociologists alike.

Treat Your Poker Like a Business ,2009-12 Poker star Dusty Schmidt presents his first book [– one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. Treat Your Poker Like A Business provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate grinder, Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt

won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [–Raise: The Impossibly True Tale of Dusty Schmidt, [–? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.

Foundations of Offender Rehabilitation Sharon Casey, Andrew Day, Jim Vess, Tony Ward, 2012-09-10 The past three decades has seen dramatic changes in the way in which the criminal justice system responds to those who break the law. The old claim in the field of correctional psychology that nothing works has strongly been refuted in the face of evidence from rehabilitation programmes that do make a difference. The graduate student in forensic psychology could easily be overwhelmed by the plethora of information now available. This new textbook offers a comprehensive approach to forensic and correctional psychology, demonstrating how theory and practise can be applied and integrated. Written by intentionally recognized experts within the field, the authors guide the students through the core theories and concepts that underpin forensic practise within the legal systems of different countries (UK, USA, Canada, Australia and Singapore), show how this knowledge informs current thinking in offender rehabilitation and reintegration and provide a series of case studies looking at sexual offenders, female offender, juveniles and offenders with mental disorders. This book is the perfect overview for graduate students of forensic and correctional psychology engaged with offender rehabilitation and assessment and the psychology of law.

Play Poker Like the Pros Phil Hellmuth, 2003 In Play Poker Like the Pros, poker master Phil Hellmuth, Jr., demonstrates exactly how to play and win -- even if you have never picked up a deck of cards -- the modern games of poker, including: Texas Hold'em, Omaha, Seven-Card Stud, and Razz. Phil Hellmuth, Jr., a seven-time World Champion of Poker, presents his tournament-tested strategies to beat any type of player, including: The Jackal (crazy and unpredictable) The Elephant (plays too many hands) The Mouse (plays very conservatively) The Lion (skilled and tough to beat) Play Poker Like the Pros begins by laying out the rules and set-up of each game and then moves on to easy-to-follow basic and advanced strategies. Hellmuth teaches exactly which hands to play, when to bluff, when to raise, and when to fold. In addition Hellmuth provides techniques for reading other players and staying cool under pressure. There are also special chapters on how to beat online poker games and an inside look at tournament play.

Mike Matusow: Check-Raising the Devil Mike Matusow, Amy Calistri, Tim Lavalli, 2012-05-01 The tumultuous rags to riches, fame to fortune, dream to nightmare autobiography of the most volatile and colorful poker player in the world, fan and media favorite Mike "The Mouth" Matusow. This book has it all: drugs, sex, partying like a rock star, jail, suicidal depression, bipolar bouts and world championship poker. Mike "The Mouth" Matusow, one of the top professional poker players in the world (with over \$6 million in tournament earnings) has become more than just a household name. He's a favorite among the millions of television viewers who have come to count on his outrageously candid comments, emotional outbursts, and constant taunts that affirm the aptness of his nickname and make for great television theatre. A rags-to-riches success story, Matusow's life has been as much nightmare as it has been dream. His struggle with undiagnosed bipolar and ADHD disorders led to self-medication with illegal drugs, such as crystal meth and ecstasy, and a tumultuous descent in the drug-fueled Las Vegas club scene. As drug use turned to drug abuse, Matusow's descent, taking his multi-million dollar bankroll along, went on the downward spiral that led to an arrest for a narcotics buy and the specter of a ten-year prison term (subsequently plea bargained down to a six month jail sentence). The Mouth's story is a high stakes rollercoaster ride featuring an insider's view of some of the world's largest poker tournaments, unbearable depression and suicidal tendencies, the Las Vegas party scene, rock star-like excess, outrageous antics, drug abuse, jail, and, in many ways, salvation. And through the worst of it, Matusow's phenomenal talent and tenacity prevailed; there was never a year that Mike failed to make a final table in a World Series of Poker event. This memoir is funny, outspoken and brash, while humbly and painfully honest about the highs and lows of poker, life, and the odyssey of overcoming psychological illness in a bastion of pressure and temptation. There is also a foreword by Phil Hellmuth, 11-time World Series of Poker bracelet holder.
