**Puffin Classics: the Adventures of Mowgli** Rudyard Kipling, 2009-07 Rudyard Kipling's eternal classics, The Jungle Book and The Second Jungle Book are most loved for the stories of Mowgli, the boy who grew up in a wolf pack. This book brings together all the stories of Mowgli. It begins with Father Wolf rescuing an abandoned baby boy from the tiger Shere Khan, terror of the jungle. The child grows up among the animals,

befriending Bagheera the Panther, Balu the Bear, and making mortal enemies with Shere Khan the Tiger. He is kidnapped by monkeys, exiled by the wolf pack, disowned by humans, till he finally vanquishes Shere Khan and returns to the forest. But the call of his own kind grows stronger, and he eventually finds his own, tenuous place among men and animals. Kipling's creations from the two Jungle Books-human and animal- have remained alive in literature and celluloid for nearly a century. They have mesmerized, entertained and educated generations of children. In this special Puffin Classics edition, Mowgli comes alive once more, accompanied by illustrations rendered by Gond artist Durga Bai, and an affectionate, heartwarming introduction by that other favourite children's writer, Ruskin Bond.

**Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards** Robert T. Kiyosaki,Sharon L. Lechter,2000-11-01 Why cutting up your credit cards won't make you rich A popular TV personality often says, Take out your credit cards and cut them into pieces. While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words, just cutting up your credit cards will not make you rich. What does make you rich is financial education...unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt...good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster...much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich \* Are you in credit card debt? \* Is job security dead? \* Is your financial security threatened? \* Is a high-paying job the answer? \* Is your money working for you? \* Do you have good debt or bad debt? We all need more financial education. We need to know how to have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education...not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.
