Torrent Lindsay Buroker,2013-09-20 When Delia chose to major in archaeology, she imagined herself as the female Indiana Jones of the Southwest. She didn't imagine herself crawling through abandoned mine shafts, scrounging for rusty pickaxes and gold pans to sell on auction sites, but Indiana Jones didn't have to make student loan payments. Scouring the mountains of Arizona with Simon, her best friend and computer geek extraordinaire, Delia dreams of turning their scavenging enterprise into a legitimate business. More, she longs to earn the respect of peers who shun her for turning into a treasure hunter. What she doesn't dream of is stumbling across a decapitated body in an old mine near Prescott. Something dangerous has come to the mountains, and two Harley-riding strangers are the only ones who seem to have a clue. They speak a language Delia has never heard and carry mysterious artifacts she's never seen. Investigating these strangers might lead her to discoveries that change the face of archaeology forever... or it might lead her and her best friend into a deadly monster's lair.

Nineteen Eighty-Four George Orwell,2021-01-09 *Nineteen Eighty-Four: A Novel*, often published as 1984, is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, *Nineteen Eighty-Four* centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party

member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Life-forms are extraordinarily useful and unusual engines that make use of free energy to create complexity and information. We have many good reasons to value and protect the maximal compatible diversity of life-forms and species.

See America First Orville O. Hiestand,2024-02-07 In beginning on our journey we disregarded Horace Greeley's advice and went east. True, the course of empires has ever been Westward and the richest gold fields lie in that direction. But the glamour which surrounds this land of flowing gold has caused vast numbers to lose their interest in both worlds, until they missed the joys in this and the radiant hope of that to come. All that glitters is not gold, Gilded tombs do worms infold. The land of the rising sun is not less lovely than that of its setting. There is a freshness and a parity in the early dawn not found in the evening time, and the birds greet the purpling east with their sweetest songs. No one may know how cheerful, how far reaching, how thrilling the singing of birds may be unless he has listened to them telling the gladness of the morning while the last star melts in the glowing east.

Destiny Unchosen Lindsay Buroker,2016-01-15 Before tragedy left her crippled, Artemis “Temi” Sidaris was a world-class tennis player at the height of her career. The sport was her passion, her dream, and all she ever wanted to do. Fighting monsters... was not part of the plan. But when a pair of pointy-eared strangers offers to heal her injury if she’s willing to wield a powerful sword to protect humanity... how can she resist? Destiny Unchosen is a 21,000-word novella that takes place between Torrent and Thorn Fall.

Pynchon and the Political Samuel Thomas, 2010-04-02 Thomas Pynchon's writing has been widely regarded as an exemplary form of postmodern fiction. It is characterized as genre-defying and enigmatic, as a series of complex and esoteric language games. This study attempts to demonstrate, however, that an oblique yet compelling sense of the political Pynchon disappears all too easily under the mantle of postmodernity. Innovative and unsettling discussions of freedom, war, labor, poverty, community, democracy, and totalitarianism are passed over in favor of constrictive scientific metaphors and theoretical play. Against this current, this study analyzes Pynchon's fiction in terms of its radical dimension, showing how it points to new directions in the relationship between the political and the aesthetic.

Night Thoughts on Life, Death and Immortality Edward Young, 1851

Mein Kampf Adolf Hitler, 2024-02-26 Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich Beer-hall putsch was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.
