Wild Hearts Sharon Sala,2020-10-12 From a New York Times bestseller, a cop reunites with his lost love while investigating her father's death in book one of this romantic suspense series. Dallas Phillips refuses to believe her father committed suicide, even though things were tough on his farm and he was deeply in debt. When she hears he'd told a neighbor about an upcoming windfall, she grows suspicious, and her suspicion only deepens when she realizes someone is lurking in the nearby mountains after dark. For help, she turns to Trey Jakes, local police chief—and her former lover. As they begin to investigate, another mystery comes to light. Trey's mother is beginning to remember events from thirty years ago, something shadowy that happened in the mountains, and Dallas's father was there, too. Is what happened that night connected to his "suicide"? As they search for the truth, Trey and Dallas struggle to fight their attraction, but they may not be able to fend off another force—a killer who's more than willing to kill again to make sure old secrets stay buried. "Sala is a master at telling a story that is both romantic and suspenseful. . . . With this amazing story, Sala proves why she is one of the best writers in the genre." —RT Book Reviews

Education, Human Rights and Peace in Sustainable Development Maigul Nugmanova,Heimo Mikkola,Alexander Rozanov,Valentina Komleva,2020-11-19 The aim of sustainable development is to balance our economic, environmental and social needs, allowing prosperity for current and future generations. Countries must be allowed to meet their basic needs of employment, food, energy, water and sanitation. There is a clear relationship between the three topics of the book: right to education has been recognized as a human right - education has a role in peace-building. Additionally, education, human rights and peace have a significant role in sustainable development. The United Nations have defined a broad range of internationally accepted rights, including civil, cultural, economic, political and social rights. However, this book demonstrates that there are still people and nations not respecting the Universal Declaration of Human Rights. Chapters from Brazil, Cameroon, Ethiopia, Kazakhstan, Israel, Peru, Russia and South-Africa cover topics like civil war, human abuses, the vulnerability of indigenous people, abortion, epilepsy, food security, lack of health equities in maternal and child health, and democracy or lack of it. We sincerely hope that this book will contribute to the joint pursuit of humanity to make the world better after we all get over the coronavirus pandemic.

Framed by the Great Commission L. Thomas Smith (Jr.),2020-11-09 The Johnson University mission statement guides the University's approach to academics, finances, enrollment, student life, spiritual formation, community engagement, and more. But mission statements must be explained well and repeated often. In fact, Dr. Tommy Smith believes the first priority of his presidency is to communicate, guard, and guide the mission of Johnson University. To that end, Dr. Smith has written a series of articles that articulate the University's mission, explain its current application, and provide context for its central role in the life of the institution. This six-part essay series is collected here as a resource for Johnson University's students, faculty, staff, alumni, donors, community partners, and friends. It is one thing to construct a worthy, historically consistent, focused mission statement and another to implement it within every aspect of the institution, Smith writes. Whereas Johnson University formally committed to this specific mission in 2011, we continue to learn its implications, especially as our educational contexts and challenges continue to change. It is imperative that the Johnson community systematically reviews and reaffirms its mission and continues to clearly communicate that mission to its external constituencies. Sidebar: What does it mean to educate students? What does it mean to educate students for Christian ministries and other strategic vocations? What does it mean to be framed by the Great Commission? What does it mean to extend the kingdom of God? What does it mean to be among all nations? L. Thomas (Tommy) Smith Jr. is the seventh president of Johnson University. He is a graduate of Johnson Bible College, Emmanuel School of Religion, and the University of Tennessee. He also served as professor of history and theology, dean of the School of Arts and Sciences, and vice president for academic affairs/provost at Johnson. He is the author of *Above Every Other Desire: A History of Johnson University, 1893-2018*, and has contributed articles and book reviews to various publications. Tommy keeps an active speaking schedule

and has conducted short-term mission trips around the world. He and his wife Deborah have two sons and six grandchildren.
