After the Ashes Sara K. Joiner,2015-08-01 In 1883, on the island of Java in the Dutch East Indies, thirteen-year-old Katrien Courtland is determined to prove Darwin's theory of natural selection. Unfortunately, nothing causes her Aunt Greet more angst than Katrien crawling around the muddy jungle collecting bugs in the name of science -- and in the company of a native boy, no less! If only Katrien would take an interest in running a household and making friends with other girls. But Katrien has no interest in changing, especially if it means socializing with the likes of mean Brigitta Burkhart. Then, one stifling afternoon, Katrien's world turns upside-down when the nearby volcano Krakatau erupts with a terrifying blast. For days, a deathly ash rains down on the Javan coast. Amidst the chaos, Katrien knows her only hope of survival is to flee the jungle with the one person she vowed she'd never befriend.

But what exactly do you do? What exactly is your job?It's possible that you may feel lost at times, like your role falls somewhere between a parent and a friend, a coach and a teacher. But remember, you aren't supposed to be any of those things. You are a little of all of those things.Small groups come in many sizes. Those who wear diapers. Those who watch Disney. Those who are learning to drive. Those who are picking a college.Lead Small: Five Big Ideas Every Small Group Leader Needs to Know clarifies the responsibilities of the small group leader who works with children and teenagers. It establishes five common threads so that those who choose to lead in any size church can work off the same blueprint.When you lead small, you realize that what you do for a few has more potential than what you do for many. When you lead small, you choose to invest in the lives of a few to encourage authentic faith.With personal insight and practical advice, Reggie Joiner and Tom Shefchunas will show you how to do something small for a big impact.

Being Heumann Judith Heumann,Kristen Joiner,2020-02-25 A Publishers Weekly Best Book of the Year for Nonfiction ...an essential and engaging look at recent disability history.— Buzzfeed One of the most influential disability rights activists in US history tells her personal story of fighting for the right to receive an education, have a job, and just be human. A story of fighting to belong in a world that wasn't built for all of us and of one woman's activism—from the streets of Brooklyn and San Francisco to inside the halls of Washington—Being Heumann recounts Judy Heumann's lifelong battle to achieve respect, acceptance, and inclusion in society. Paralyzed from polio at eighteen months, Judy's struggle for equality began early in life. From

fighting to attend grade school after being described as a “fire hazard” to later winning a lawsuit against the New York City school system for denying her a teacher’s license because of her paralysis, Judy’s actions set a precedent that fundamentally improved rights for disabled people. As a young woman, Judy rolled her wheelchair through the doors of the US Department of Health, Education, and Welfare in San Francisco as a leader of the Section 504 Sit-In, the longest takeover of a governmental building in US history. Working with a community of over 150 disabled activists and allies, Judy successfully pressured the Carter administration to implement protections for disabled peoples’ rights, sparking a national movement and leading to the creation of the Americans with Disabilities Act. Candid, intimate, and irreverent, Judy Heumann’s memoir about resistance to exclusion invites readers to imagine and make real a world in which we all belong.
