Blindsight Peter Watts,2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, Blindsight Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam. Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Destination Normandy G. H. Bennett, 2009-04-20 A cross-section of the American experience on D-Day Unique perspective from the regimental level that also integrates strategic and tactical considerations Stories of largely forgotten acts of valor G. H. Bennett collects oral histories from the soldiers of three American regiments and weaves them into an intimate account of the D-Day invasion of June 6, 1944. Widely scattered during its drop into Normandy, the 507th Parachute Infantry Regiment (82nd Airborne Division) stopped the advance of an SS division. The untested 116th Infantry Regiment (29th Infantry Division) landed on bloody Omaha Beach, where it suffered more casualties than any other regiment that day. Meanwhile, the 22nd Infantry Regiment (4th Infantry Division) easily waded ashore on Utah Beach but faced savage fighting as it moved inland.
