Overpowered Martin Blank, PhD,2014-09-16 Keys, wallet, cell phone . . . ready to go! Cell phones have become ubiquitous fixtures of twenty-first-century life—suctioned to our ears and stuck in our pockets. Yet, we’ve all heard whispers that these essential little devices give you brain cancer. Many of us are left wondering, as Maureen Dowd recently asked in the New York Times, “Are cells the new cigarettes?” Overpowered brings readers, in accessible and fascinating prose, through the science, indicating biological effects resulting from low, non-thermal levels of non-ionizing electromagnetic radiation (levels considered safe by regulatory agencies), coming not only from cell phones, but many other devices we use in our homes and offices every day. Dr. Blank arms us with the information we need to lobby government and industry to keep ourselves and our families safe.

ESOTERIC ASTROLOGY - VOL. 10 Dr. Douglas M. Baker,2017-08-10 Introduction to: ESOTERIC ASTROLOGY - VOL. 10 INTERCEPTED SIGNS - Seventh House thru Twelfth House By Dr. Douglas M. Baker Intercepted Signs are not a rarity in esoteric astrology. Probably a quarter of the world’s population is involved. It is a rarity to find them adequately dealt with in a horoscope. Volume 9 and 10 help to remedy this situation. An intercepted Sign indicates the element of being “boxed in”, if only in the sense of peoples ice-bound during winter in the far northern hemisphere and in the sea-locked fiords. But, out of even these extremes may emerge the superlative (First House) of some quality which carries in it genius and existentialism reminiscent of the fiery Norsemen themselves, with their red, flaming hair, First Ray physical bodies and propensity (bent – Twelfth House) for navigation, exploration and colonization, thereby expressing and spreading the initial and rare qualities of the emerging Anglo-Saxon sub-race. “Intercepted” in astrology means a Sign which lies between two houses without occupying the cusp of either. Intercepted charts usually emerge where the native is born in extreme latitudes, north or south, and may even produce four intercepted Signs. Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual, it is also capable of providing the personality with direction and useful advice. When we are dealing with Man on the Path, a far, far more accurate an interpretation of his situation, its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology. The development of the computer has made the horoscope available to the millions, and it is but a matter of time before the same computers begin to sieve out the “real from the unreal.” In the end, however, the real is only discovered within, and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles. To ignore the individual horoscope is to leave astrology, esoteric or exoteric, with feet of clay. What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope. Thus, providing the interpreter views the horoscope from a point of higher synthesis, the most accurate interpretation of a personality matter may be gauged from particular astrological aspects. Bailey herself, or the Tibetan Master through her, gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers, called “hierarchical”, which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet, as It implements the Divine Plan for the Earth.

In the Nick of Time William C. Cline,1997-12-01 By the famous Big Reel columnist: the story of serials from Universal's 1930 The Indians Are Coming to Columbia's 1956 Blazing the Overland Trail. Fifteen fascinating chapters explain the importance of cliffhangers to the industry as audience builders and product leaders. The serials provided training for actors and served as a technical university for people who later made the television industry work. An appendix lists in order of release all of the sound serials from 1930 through 1956, showing titles, releasing companies, chapter titles, directors and several cast members. Superb photographs.
