Linda K. Fuller

Two Boy Gold Miners: or, Lost in the Mountains Frank Webster,2017-09-05

Female Olympians Linda K. Fuller,2016-12-07 This book examines women's participation in the Olympic Games since they were allowed to be included in that global arena. Using a holistic, social scientific approach, and emphasizing the rhetoric of sport mediatization, *Female Olympians* reviews the literature relative to sexism, racism, and ageism before providing historical, political, economic, and socio-cultural perspectives such as the gendered language of Olympic reportage, religious considerations, women's bodies relative to their training for the Games, drugs and doping, and female Paralympians. With numerous critical case studies, never-before assembled data, and personal interviews with athletes, this volume offers insights that both investigate and celebrate female Olympians' successes.

InfoWorld ,1987-08-10 InfoWorld is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. InfoWorld also celebrates people, companies, and projects.

The Mysterious Cities Of Gold (Out Of Series #2) Jacintha Lucia Moreau,2021-06-14 This book out of series 2 is the continuation of The Mysterious Cities Of Gold season 4 which, the treasures hunters and Tao with Pitchu; will travel New-Zealand, Australia, Africa, India, Panama and France. Meanswhile, Esteban and Zia; will travel England, Germany, the mythical city Telos, Galapagos island and Easter island. Finally, this book is the 5th season of this series and i wrote the script with the story. Good reading.

Ramsey's Gold Russell Blake,2015-10-30 When a forgotten journal materializes decades after Drake Ramsey's father vanished in the Amazon jungle, Drake decides to follow in his footsteps and search for the legendary treasure of the Inca empire hidden in the lost Inca city of Paititi.

Gold John Wilson,2017-10-24 Sam and Annabel are on vacation with Annabel's parents in Italy. While visiting the small hilltop town of Civita, they hear rumors of looted gold from World War II buried somewhere in the town's network of underground tunnels and caves. Once again the two friends cross paths with their old nemesis, Humphrey Battleford, but he is not the only one in pursuit of the gold. An intimidating man named Kurt, the grandson of a ruthless Nazi, is also snooping around. After Annabel is kidnapped, Sam must solve the mystery of the hidden treasure to save his friend. This is the fourth mystery featuring Sam and Annabel, after *Stolen*, *Bones* and *Lost*.

Gold Digger II Fred Perry,2008-11 Gina Diggers and her adopted sister Brittany Diggers (a.k.a. Cheetah) explore such fantastic realms as the Garden of Eden, Shangri-La, Atlantis, El Dorado, the mystical land of Jade, and the Realm of the Undead.

Gold of Bre-X Alfred Lenarciak,2016-11-30 Between 1994 and 1997, Canadian company Bre-X Minerals, sponsored and promoted to listings on the TSX and NASDAQ by JPMorgan, Lehman, BMO, and others, was exploring for gold on the Busang property on the Indonesian island of Borneo. Bre-X's efforts bore the discovery of a lifetime: a mammoth deposit estimated to contain over 200 million ounces of easily extractable gold. The company's stock exploded from 25 cents to over \$270, effectively valuing Bre-X at over \$6 billion and attracting the interest of major mining companies. Barrick, Placer Dome, and Freeport McMoran, all the major players at the time, started competing to develop the largest gold deposit ever discovered. In early 1997, Indonesian President Suharto and his government took control of the deposit by force and commissioned Freeport to build a mega mine. In the ensuing months, due diligence revealed that the deposit was a gigantic hoax! There was no gold in Busang. The principals of Bre-X were accused, but never convicted, of salting samples before sending them to labs. Michael de Guzman, a Filipino geologist who served as the project manager, allegedly committed suicide by jumping from a helicopter into the abyss of Borneo's jungle. Minorca Resources of Toronto were the financial partners of the Haji Sayakarani group of companies that owned Busang; Alfred Lenarciak was the chairman of Minorca at the time. In a strange twist of fate, in February 2012, Alfred had a chance encounter in Rome with a man by the name of Akiro Guzzo, who shared with him an

amazing story about the life and death of Michael de Guzman, the creator of a fake gold mega deposit. Is this really a dead man's story?

Ransom Notes/2 Alison Gold,2023-04

The Gold Shapers Philip Atlas Clausen,2015-09-16 Book Two of The Goldfinder series. A seventeen year old has found a huge heart of gold hidden beneath a lake high in the Sierra Nevada--it's the Motherlode. But can he keep it? Dain King is a ruthless killer who captures Petr and sends him down the river tied in an old Indian canoe to scare him into revealing the location of his gold. The canoe goes over a waterfall where Petr is rescued by Paiutes. He falls in love with the Indian medicine woman, Minoah. A bad Indian kidnaps Petr's little sister and uses her to lure Dain King and his men into a trap. The Indians are killed including Minoah's father. Now love turns to hatred and Petr ventures to San Francisco to make a beautiful gift, The Falcon Heart, for Minoah. There he will remember the secrets of gold shaping. There he will discover the terrible price of finding gold.

The Gold Hunters James Oliver Curwood,2013-12-10 The Gold Hunters By James Oliver Curwood Three men, a map and a hidden treasure. A young white man, his half breed friend, and a wise Indian sage who communes with the wilderness, know the gold is hidden in the northern reaches of the Canadian wilderness. But the map seems to be misleading them. Each day brings a new adventure, and new danger.

Gold Fever Steve Boggan,2015-04-16 Gold. For centuries people have been entranced by the riches it promises; thousands have gone wild in their search for it and surely there will be many more. After the Financial Crisis, the price of gold reached peaks never seen in history. All over the world, particularly in the United States, people with no experience of prospecting began shopping for shovels, pickaxes, gold pans, tents, generators, and all manner of equipment they had no idea how to use. And off they went mining. In 2013, Steve Boggan decided he wanted a piece of the action, flying to San Francisco to join the 21st century's gold rush in a quest to understand the allure of the metal - and maybe find some for himself, too. Meeting a selection of colourful characters dreaming of striking it rich, he gets a crash course in small-scale prospecting while learning about the history and economics of gold. He also takes us back in time to the original gold rush, two centuries ago, tracing the path of the first intrepid 49ers who trekked thousands of miles, risking death for the chance of unimaginable wealth. Written with Boggan's characteristic charm, *Gold Fever* is a hugely entertaining travelogue and a moving insight into a key period in the creation of modern America.

Gold Darrell Delamaide,1991

City of Gold Carolyn Arnold,2015-11-27 Finding the Incas' lost City of Gold would be the discovery of a lifetime. But failing could mean her death... Archaeologist Matthew Connor and his friends Cal and Robyn are finally home after a dangerous retrieval expedition in India. While they succeeded in obtaining the priceless Pandu artifact they sought, it almost cost them their lives. Still, Matthew is ready for the next adventure. Yet when new intel surfaces indicating the possible location of the legendary City of Gold, Matthew is hesitant to embark on the quest. Not only is the evidence questionable but it means looking for the lost city of Paititi far away from where other explorers have concentrated their efforts. As appealing as making the discovery would be, it's just too risky. But when Cal's girlfriend, Sophie, is abducted by Matthew's old nemesis who is dead-set on acquiring the Pandu statue, Matthew may be forced into action. Saving Sophie's life means either breaking into the Royal Ontario Museum to steal the relic or offering up something no one in his or her right mind can refuse—the City of Gold. Now Matthew and his two closest friends have to find a city and a treasure that have been lost for centuries. And they only have seven days to do it. As they race against the clock, they quickly discover that the streets they seek aren't actually paved with gold, but with blood. *City of Gold* is an exciting, action-packed, edge-of-your-seat adventure that's akin to an Indiana Jones story set in modern times. It's light on history and heavy on action, suspense, and intrigue. Buy this international bestselling book today and strap yourself in for an action-packed good time! About the Mathew Connor Adventure Series: Action-adventure books for the mystery lover. Strap yourself in for an adventure with archaeologist and treasure hunter Matthew Connor and his two closest

friends as they travel the globe to uncover legends the world has all but forgotten. Indiana Jones meets the twenty-first century. This is the perfect book series for fans of Indiana Jones, Lara Croft, National Treasure, and The Relic Hunter.

Gold Milton Meltzer,1993 Discusses the value of gold and how it has been sought after and used in countries around the world throughout history.

The Great Gold Rush W. H. P. Jarvis,2022-06-24 This book The Great Gold Rush: A Tale of the Klondike , has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies and hence the text is clear and readable.

History of Gold Kelly Gaffney,2016-01-01 Describes the history of gold, including here it is found around the world, how it is used, and its importance.

Reflecting Gold Cynthia L. Simmons,2021-06-21

The Gold Hunter's Adventures, William Thomes,2015-07-01 Part Two continues with Jack and Fred having established their general store in Ballarat, with the ex-convict Smith bringing supplies from Melbourne. They are not really settling down to a peaceful life as they still manage to get themselves involved with buried treasure and bushrangers. Fred finds himself in trouble when he protests at the cruel and harsh manner in which a miner's protest against the heavy taxes they have to pay is put down, but Jack and the local police inspector manage to sort out the situation and bring matters to a satisfactory conclusion. The whole story is told with wit and humour.

Female Olympian and Paralympian Events Linda K. Fuller,2018-10-04 Female Olympian and Paralympian Events is a groundbreaking book that examines women's sports in the Olympic and Paralympic Games, which have long been underappreciated and under-analyzed. The book begins with a brief background on women's participation in the Olympic Games and their role relative to the International Olympic Committee, then introduces the underlying Gendered Critical Discourse Analysis theory used throughout the book's analysis before delving into a literature review of female Olympians and Paralympians' events. It includes a listing of noteworthy "firsts" in the field, followed by individual discussions of twenty-eight Summer and seven Winter events, analyzed according to their historical, rhetorical, and popular cultural representations. Women's unique role(s) in the various events are discussed, particular athletes and Paralympic events are highlighted, and original tables are also included. At the end of each section, affiliated organizations and resources are included in this invaluable referential volume.

Embark on a transformative journey with this captivating work, Discover the Magic in **Trackergold 2** .
