The Salt of Tranquility Gery Sidney Cottam,2012-11-30 Tyler West is a mineral salts miner who was enclosed in a capsule deep beneath the moon's surface. He was awakened from sub-lunar hibernation to find he may have slept for as long as 9,000 years. Upon his return to the unoccupied Moon Station Armstrong, he found himself alone, and void of communications with earth. Tyler views an account prepared by Lemuel Peterson, the last known man alive. He recounts the amazing Antaeus suit, space piracy, wars, and global nuclear devastation of his home planet. The recorded message takes Tyler and the reader on a journey filled with conflict between good and evil, scientific miracles, personal relationships, nature's balance, and the fate of mankind. Tyler desperately tries to retrieve the other hibernating miners, still trapped beneath the moon's surface. Fates of the miners, the world, and of mankind remain uncertain.

Peaceful Places Portland Paul Gerald,2012-11-21 Everybody knows about Portland's food scene, its outdoor recreation, its bike lanes, beer pubs, and coffee shops. Whether you call it Stumptown or Bridgetown--or even PDX--Portland has been mocked as the city where young people go to retire. But seemingly every weekend there's a festival, organized bike ride, political march, or something else clamoring for participation. In short, Portland is a happening town. But sometimes folks just want to chill out, to go where there isn't much happening. They might want to enjoy a quiet meal, take a walk in a park, curl up with a good book, or get out of town to some soul-soothing destination. With books covering all the other activities in town, where's the one that tells people where they can do --. well, not much? As of Fall 2012, the answer is Peaceful Places: Portland, written by Paul Gerald, the man who gave this town 60 Hikes Within 60 Miles of Portland and Breakfast in Bridgetown. This time, Gerald is off in search of peace and quiet, and he invites the reader along to quiet tables, parks and gardens, enchanting walks, outdoor habitats, and other retreats. Seeking out the places or times when the crowds will be elsewhere, Gerald will give you the essence of what each place is about--what makes it peaceful or inviting. But he does not stint on also giving you all the detailed info you need to find the place and get there at the crowd-free time. Sometimes, this will be a matter of discovery, as in Do I really stand a chance of seeing a heron in the Pearl District? Other times it may feel like being let in on a secret, like a meadow full of camas blooming within earshot of Interstate 205. Or maybe it's just the right time to hit just the right table for a romantic meal or some quality reading time. But the theme that carries throughout the book is a simple one: Portland is a great city, but it's still a city, and sometimes folks just need a break.
