

Travels Of Marco Polo 10

BM King

The Travels of Marco Polo Marco Polo,2012-08-29 Marco Polo's account of his journey throughout the East in the thirteenth century was one of the earliest European travel narratives, and it remains the most important. The merchant-traveler from Venice, the first to cross the entire continent of Asia, provided us with accurate descriptions of life in China, Tibet, India, and a hundred other lands, and recorded customs, natural history, strange sights, historical legends, and much more. From the dazzling courts of Kublai Khan to the perilous deserts of Persia, no book contains a richer magazine of marvels than the Travels. This edition, selected and edited by the great scholar Manuel Komroff, also features the classic and stylistically brilliant Marsden translation, revised and corrected, as well as Komroff's Introduction to the 1926 edition.

The Travels Marco Polo,1974-11-28 Marco Polo was the most famous traveller of his time. His voyages began in 1271 with a visit to China, after which he served the Kubilai Khan on numerous diplomatic missions. On his return to the West he was made a prisoner of war and met Rustichello of Pisa, with whom he collaborated on this book. The accounts of his travels provide a fascinating glimpse of the different societies he encountered: their religions, customs, ceremonies and way of life; on the spices and silks of the East; on precious gems, exotic vegetation and wild beasts. He tells the story of the holy shoemaker, the wicked caliph and the three kings, among a great many others, evoking a remote and long-vanished world with colour and immediacy.

The Travels of Marco Polo Marco Polo,1845

The Travels of Marco Polo Marco Polo,1885 A retelling of Marco Polo's chronicles of his journey to the court of the Mongol emperor, Kublai Khan, in the thirteenth century and his lesser-known voyages. The narrative has been abridged and adapted with omissions for young readers.

The Travels of Marco Polo ,1985 Marco Polo recounts his voyage to China where he served the emperor Kublai Khan for seventeen years before returning to Venice.

The Travels of Marco Polo Mary Hull,1995 History and travels of Marco Polo.

The Travels of Marco Polo the Venetian Marco Polo,1926

The Travels of Marco Polo Henry Yule,2018-01-01 Reproduction of the original.

The Travels of Marco Polo, a Venetian, in the Thirteenth Century Marco Polo,1818

The Travels of Marco Polo (Vol. 1&2) Marco Polo,Rustichello of Pisa,2023-12-16 The Travels of Marco Polo is a 13th-century travelogue written down by Rustichello da Pisa from stories told by Italian explorer Marco Polo, describing Polo's travels through Asia between 1271 and 1295, and his experiences at the court of Kublai Khan. The Travels is divided into four books. Book One describes the lands of the Middle East and Central Asia that Marco encountered on his way to China. Book Two describes China and the court of Kublai Khan. Book Three describes some of the coastal regions of the East: Japan, India, Sri Lanka, South-East Asia, and the east coast of Africa. Book Four describes some of the then-recent wars among the Mongols and some of the regions of the far north, like Russia. Polo's writings included descriptions of cannibals and spice-growers.

The Return of Marco Polo's World Robert D. Kaplan,2018 Drawing on decades of first-hand experience as a foreign correspondent and military embed for The Atlantic, Robert D. Kaplan makes a powerful, clear-eyed case for what timeless principles should shape America's role in the world: a respect for the limits of Western-style democracy; a delineation between American interests versus American values; an awareness of the psychological toll of warfare; a projection of military power via a strong navy; and more--

The Book of Ser Marco Polo, the Venetian, Concerning the Kingdoms and Marvels of the East Marco Polo,1903

Travels of Marco Polo Marco Polo,2004-10-05 His journey through the East began in 1271—when, still a teenager, he set out of Venice and found himself traversing the most exotic countries. His acceptance into the court of the great emperor Kublai Khan, and his service to the vast and dazzling Mongol empire, led him to places as far away as Tibet and Burma, lands rich with gems and gold and silk, but virtually unknown to Europeans. Later, as a prisoner of war, Marco Polo would record the

details of his remarkable travels across harsh deserts, great mountain ranges, and dangerous seas, as well as of his encounters with beasts and birds, plants and people. His amazing chronicle is both fascinating and awe-inspiring—and still serves as the most vivid depiction of the mysterious East in the Middle Ages. Edited and with an Introduction by Milton Rugoff and an Afterword by Howard Mittelmark

The Travels of Marco Polo William Marsden, Thomas Wright, Marco Polo, 2017-10-16

Did Marco Polo Go To China? Frances Wood, 2018-06-19 We all know that Marco Polo went to China, served Ghengis Khan for many years, and returned to Italy with the recipes for pasta and ice cream. But Frances Wood, head of the Chinese Department at the British Library, argues that Marco Polo not only never went to China, he probably never even made it past the Black Sea, where his family conducted business as merchants. Marco Polo's travels from Venice to the exotic and distant East, and his epic book describing his extraordinary adventures, *A Description of the World*, ranks among the most famous and influential books ever published. In this fascinating piece of historical detection, marking the 700th anniversary of Polo's journey, Frances Wood questions whether Marco Polo ever reached the country he so vividly described. Why, in his romantic and seemingly detailed account, is there no mention of such fundamentals of Chinese life as tea, foot-binding, or even the Great Wall? Did he really bring back pasta and ice cream to Italy? And why, given China's extensive and even obsessive record-keeping, is there no mention of Marco Polo anywhere in the archives? Sure to spark controversy, *Did Marco Polo Go to China?* tries to solve these and other inconsistencies by carefully examining the Polo family history, Marco Polo's activities as a merchant, the preparation of his book, and the imperial Chinese records. The result is a lucid and readable look at medieval European and Chinese history, and the characters and events that shaped this extraordinary and enduring myth.

MARCO POLO HIS TRAVELS & ADV George M. (George Makepeace) Towle, 2016-08-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Voyages and Travels of Marco Polo Marco Polo, 1894

Marco Polo Alexander Zelenyj, 2006 Separates fact from myth using excerpts from Polo's actual journals and illustrations and photos to portray Polo himself and his impressions of the unique traditions and customs of the Mongols.

The Travels of Marco Polo, 1847
