The Secret Treasures of Oak Island J.J. Pritchard,2019-04-30 Joel and Emma never expected to spend the summer searching for untold millions in gold and jewels on famous Oak Island. But soon after their adventurer uncle Jake telephones them in British Columbia to ask for their help with the excavations, they're in the air flying to the coast of Nova Scotia. Exploring the island on their bikes, Joel and Emma find intriguing hints of the treasure's whereabouts: an ancient rock painting and cryptic Latin inscriptions. But as Uncle Jake's dig starts to fall apart, they have to race to put the pieces together in time. Set against the background of one of the most famous treasure hunts of all time, *The Secret Treasures of Oak Island* is the action-packed story of a summer quest for pirate gold.

Treasure Islands Nicholas Shaxson,2012 Dirty money, tax havens and the offshore system describe the ugliest and most secretive chapter in the history of global economic affairs. Tax havens have declared war on honest, law-abiding people around the world. Wealthy individuals hold over ten trillion dollars offshore. Tax havens are the most important single reason why poor people and poor countries stay poor. Britain and the United States are the world's two most important tax havens. Tax havens now lie at the very heart of the global economy. Over half of world trade, and most international lending, is processed through them. Tax havens have been instrumental in nearly every major economic event, in every big financial scandal, and in every financial crisis since the 1970s, including the latest global economic crisis. *Treasure Islands* show how this happens and reveal what the economics text books will not tell you.

The Wonder Island Boys Roger Thompson Finlay,2013-08-16 Do you remember, Harry, after discovering the treasure and the skeletons of the pirates in the cave near the Cataract, that we heard the doleful sound of some bird while going down the hill? Yes; that cry was something like it. Do you recall the name of the bird, George? It was the Alma Perdita. I remember, now; it means the 'Cry of the Lost Soul.' Yes; but I don't think that came from a bird. It is more like an animal of some kind. Don't you hear a sound that seems to be answering it? It does seem so; I think John would know what animal it is; but it is too late to speak to him about it to-night, George. As Harry ceased speaking, the boys heard a noise, and George arose holding up his hand as a warning. I think I see something, so we ought to call John. The boys quietly moved forward, and noted two figures moving about a short distance beyond. The boys crawled over to the place where John was sleep, and found that the place he occupied, as well as that of Uraso's vacant.
