The Fourth Turning William Strauss, Neil Howe, 1997-12-29 NATIONAL BESTSELLER • Discover the game-changing theory of the cycles of history and what past generations can teach us about living through times of upheaval—with deep insights into the roles that Boomers, Generation X, and Millennials have to play. First comes a High, a period of confident expansion. Next comes an Awakening, a time of spiritual exploration and rebellion. Then comes an Unraveling, in which individualism triumphs over crumbling institutions. Last comes a Crisis—the Fourth Turning—when society passes through a great and perilous gate in history. William Strauss and Neil Howe will change the way you see the world—and your place in it. With blazing originality, *The Fourth Turning* illuminates the past, explains the present, and reimagines the future. Most remarkably, it offers an utterly persuasive prophecy about how America's past will predict what comes next. Strauss and Howe base this vision on a provocative theory of American history. The authors look back five hundred years and uncover a distinct pattern: Modern history moves in cycles, each one lasting about the length of a long human life, each composed of four twenty-year eras—or “turnings”—that comprise history's seasonal rhythm of growth, maturation, entropy, and rebirth. Illustrating this cycle through a brilliant analysis of the post-World War II period, *The Fourth Turning* offers bold predictions about how all of us can prepare, individually and collectively, for this rendezvous with destiny.

Riley is lost. His mother's recent death has set Luke and his family adrift. Even though his father, twin brothers, and their three Bloodhounds are search and rescue volunteers, they have been unable to rescue themselves and become a family again. The summer after sixth grade looms in Luke's mind as a long, lonely three months where the only thing he can look forward to is watching The Weather Channel. Luke is fascinated with the weather, but since his mother's death in a storm, he is also terrified. Even the promised 13th birthday present of a Bloodhound puppy fails to lift Luke's spirits. He would rather have a different breed - a petite Papillon, but his father insists he get a Bloodhound. When Luke decides to get the Bloodhound from Willajeau, a dog breeder who owns Storm Watcher Kennel, he works out a deal to help at her kennel in exchange for the expensive dog. Thrilled to have a summer with a purpose, Luke befriends Willajeau's daughter, Megan and together they plan how Luke can get a Papillon puppy instead of a Bloodhound. But nothing seems to work as they struggle with stubborn fathers, summer storms, unhelpful siblings, and hidden guilt. Can one little white dog really save both families? The book also includes an appendix of fun weather facts and quizzes!

The Binge Watcher's Guide to Riverdale Melissa Ford Lucken, 2021-04 Busted families, broken hearts, secrets and corruption are the lifeblood of The CW's gothic horror series Riverdale. The show is based on the original Archie comics, but this sinister town is a far cry from the wholesome, anyplace USA depicted in 80 years of the teen adventures featuring Archie, Jughead, Betty, Veronica, and the rest of the gang. This Riverdale is an other-worldly, ominous place where enigmatic parents and cunning town leaders hide wicked secrets while teens struggle to survive. The Riverdale gang face the definitive dilemma: good vs. evil. They fight ghouls, a cult leader, a serial killer, and each other—all while sporting inspiring outfits and photo-ready hair. Great music, the occasional Vixens cheer dance-off, and too-steamy-for-high-school sex scenes add an undeniable layer of watchability to the fan-favorite show. This bestselling Binge Watcher's Guide will get you through all seven seasons. Keep the book beside you while binging; the trivia, quotes and episode commentaries will inform and entertain. Want more? The literary analysis, connection to the comics, and resources have you covered.

The Binge Watcher's Guide to The Twilight Zone: An Unofficial Journey Jacob Trussell,2021-05-10 “You unlock this door with the key of imagination. Beyond it is another dimension—a dimension of sound, a dimension of sight, a dimension of mind.” There are a lot of compendiums on The Twilight Zone out there, most offering a backstage peek at the ins and outs of producing this seminal genre series. The Binge Watcher’s Guide to The Twilight Zone will offer you something these other books do not: a microscopic look into the themes and ideas that Rod Serling weaved into his landmark show to give you a deeper understanding of why The Twilight Zone still resonates with

audiences over 60 years later. This guide will examine how the socio-political turmoil of the early 1960s, the global anxiety over nuclear power, and the looming specter of trauma in post-war America influenced Serling to use *The Twilight Zone* as a bully pulpit, pushing back against social ills, from racism and censorship to McCarthyism and totalitarianism. Whether this is your first trip to the Zone or you're an old fan returning for one more round, this retrospective is an opportunity to engage with the timeless classic in a way that can help you make sense of our here and now. "You're moving into a land of both shadow and substance, of things and ideas. You've just crossed over into the *Twilight Zone*."
