The Portable Beat Reader Various,2003-07-29 Beginning in the late 1940's, American literature discovered a four-letter word, and the word was beat. Beat as in poverty and beatitude, ecstasy and exile. Beat was Jack Kerouac touring the American road in prose as fast and reckless as a V-8 Chevy. It was the junk-sick surrealism of William Burroughs; the wild, Whitmanesque poetry of Allen Ginsberg; and the lumberjack Zen of Gary Snyder. *The Portable Beat Reader* collects the most

significant writing of these and fellow members (and spiritual descendants) of the Beat Generation, including Neal Cassady, Gregory Corso, Diane di Prima, Bob Dylan, Leroi Jones, and Michael McClure. In poetry, fiction, essays, song lyrics, letters, and memoirs, it captures the triumphant rudeness, energy, and exhilaration of a movement that swept through American letters with hurricane force. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. The Portable February David Berman,2009 Running the gamut in topic and style from faux-political to faux-New Yorker, David Berman's lo-fi cartoons incorporate strains of high and low comedy, wistful Americana, contemporary art, dream visions, and a visual analog to the semipenetrable personal allusions found in his music and poetry. His drawings invite the same deeper thought as his writings, making use of wordplay, cultural references, and offbeat observations. The sparse illustrations are complemented by poignant one-liners, and reveal moments of lightness within the author's dark humor, providing a wry, erudite commentary on American culture.
