Twist Serve Dean Wright,Susan Nardi,2016-05-22 The best kept secret of the year.This is a revolutionary book. It's the first of it's kind to incorporate instruction into a story.Kimberly Anders hears a sound that changes her life at seven years old. This begins her love affair with the game of tennis The many characters that she has to deal with along the way include her self absorbed friend Miranda, and a old school socially ignorant Grandmother. When she starts to discover that she may be different than others she knows, the circumstances begin to cause problems for the young tennis prodigy. This book is fiction. Any resemblance to persons living or dead or actual events are coincidental and of the author's imagination.
