Alien Invasion and Other Inconveniences Brian Yansky,2010-11-09 A polite race of telepathic killer aliens, a ten-second world conquest, and one teenage boy collide in this wry, gutsy adventure. (Ages 14 and up) Jesse is in history class when a formidable, efficient race of aliens quietly takes over the earth in less time than it takes him to brush his teeth. Most humans simply fall asleep and never wake up. In moments, everyone Jesse knows and loves is gone, and he finds that he is now a slave to an inept alien leader. On the bright side, Jesse discovers he's developing telepathic powers, and he's not the only one. Soon he's forging new friendships and feeling unexpectedly hopeful. When a mysterious girl appears in his dreams, talking about escaping, Jesse begins to think the aliens may not be invincible after all. But if Jesse and his friends succeed, is there anywhere left to go? Brian Yansky offers a funny, grim novel packed with everything boys and sci-fi fans love: aliens, humor, action, and a healthy dose of triumph.

UFOs, the Alien Invasion and the CIA John Scott Chace,2021-03-25 UFOs, the Alien Invasion and the CIA first became available in March 2021, with photographs, artists' conceptions of UFOs, and factual content. What you get is a book filled with facts of CIA, KGB, and military UFO case files. Cases are presented one after another around the globe.UFOs, the Alien Invasion and the CIA is not a Science Fiction Novel; in fact, it is a compilation of declassified, and non-declassified UFO encounters from around the world. It is packed with 400 pages of UFO incidents from Europe, South America, Africa, Australia, the United Kingdom, Russia, the United States, and Asia.Research shows for, over the last 1000 + years, UFOs and their occupants have been monitoring this planet. I contend this visitation of humanoid beings of different species from other worlds is an advanced Invasion plan of planet Earth.This book is prepared to tell you the truth about UFO / UAP reality. It highlights the polarized differences between The Truth and Deception:1.On the one hand, we have DECEPTION with the World Intelligence

Agencies (the Central Intelligence Agency and the KGB) hiding information from the public on UFO intrusions at top military sites and human contact with Aliens / Extraterrestrials. 2. And on the other, we have TRUTH, where Presidents Gorbachev and Ronald Reagan agreed to assist one another in a potential alien conflict. This desire for Truth extends to the American, British, and Russian Air Force and Naval Military Leaders that desired the public to be informed of the UFO reality. Statements by those in the know: Case 1: Russian General states: The UFO, with a diameter from 100 to 200 meters, was not accompanied by the sound of any kind and was distinguished by its startling maneuverability. It seemed the UFOs were completely devoid of inertia. In other words, they had somehow 'come to terms with gravity. At present, terrestrial machines could hardly have any such capabilities. (The KGB); Case 2: CIA Officer states: On the US obtaining a copy of a declassified KGB document on an alien incident, a CIA representative stated, It is horrific! If the KGB file corresponds to reality, this is an extremely menacing case. The Aliens possess technology that goes beyond all our assumptions. They can stand up for themselves if attacked. Case 3: US Naval Officer states: Official representatives of the US government, including the CIA, came aboard the aircraft carrier to debrief (interview) all the witnesses. After the debriefing, the 25 witnesses were transferred off the ship to other assignments, so they would not discuss the UFO case facts with each other. Case 4: Another US Naval Officer states: I read that if I ever talked about what it was that I didn't see, I could be fined up to \$10,000 and imprisoned for up to 10 years or both. In addition, I could lose all pay and allowances due or ever to become due. He asked me to sign a piece of paper stating that I understood the laws and regulations that I had just read governing the safeguard of classified information relating to national security. The author has researched thousands of declassified CIA, KGB UFO reports and military files, and newspaper articles to bring these stories to you. The Author: John Scott Chace is the author of over 12 books including UFOs In US AIRSPACE, UFO Motherships and Project Blue Book. John is the son of Colonel Chaplain Alston R. Chace (USAF) and Nephew of Colonel Frank C. Chace (USMC). A military brat, he lived on many of the US Air Force bases where several UFO incidents have taken place. John became a researcher and historian on the UFO phenomenon after sightings in Connecticut. This book contains the CIA, KGB, and US Air Force Project Blue Book case files, and more.

**The War of the Worlds** H. G. Wells, 2016-03-15 The science fiction masterpiece of man versus alien that inspired generations, from Orson Welles's classic radio play to the film starring Tom Cruise. At the turn of the twentieth century, few would believe that mankind is being watched from above. But millions of miles from Earth, the lords of the Red Planet prepare their armies for invasion, waiting for the moment to strike. When they land in the English countryside, baffled humans approach, waving white flags, and the Martians burn them to a crisp. The war

has begun, and mankind doesn't stand a chance. As Martian armies roll across England, one man fights to keep his family safe, risking his life—and his sanity—on the front lines of the greatest war in galactic history. H. G. Red Rising Pierce Brown, 2014-01-28 NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of The Hunger Games by Suzanne Collins and Ender's Game by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for Red Rising "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's

**Alien Invasion - Inside Area 51** Patrick M. Mariano, 2014-02-22 This book is a set of interviews I made across the United States and the United Kingdom and I'm probably the very first journalist to have accessed Area 51. I didn't know, when I started this investigation, where it would lead me, but what I've seen in the underground levels is really scary. If you ever wondered if we are alone in this universe, the answer is No. Aliens are closer than you could imagine. I have dedicated my entire life to reporting stories and events through newspapers and that's what I do for a living; I'm not going to stop now. However, in order to protect my life, I decided to have this book written under a pseudonym. Throughout the course of this book I will make specific reference to facts that are clearly recognisable and that you can cross-reference. My only hope is that you will take action NOW and start protecting yourselves and the people around you.
