A History of Christianity: Volume I Kenneth S. Latourette, 1975-10-15 The most useful survey of Christian history for the student or general reader, fully updated by a team of respected scholars.

Rock Critic Law Michael Azerrad, 2018-10-23 Straight out of his beloved Twitter feed @RockCriticLaw, acclaimed rock journalist and author of the classic books *Come As You Are: The Story of Nirvana* and *Our Band Could Be Your Life*, Michael Azerrad turns his trenchant eye to the art of rock writing itself, hilariously skewering 101 of the genre's seemingly endless litany of hackneyed phrases and tropes. One of the finest music writers today, Michael Azerrad has catalogued the shortcuts, lazy metaphors and uninspired prose that so many of his beloved colleagues all too regularly rely on to fill column inches. In 2014, he began his wickedly droll Twitter feed @RockCriticLaw to expose and make fun of this word-hash. Now, he consolidates these Laws into one witty, comprehensive and fully illustrated volume. *Rock Critic Law* includes timeless gems such as: If a band pioneered something, you must say they are seminal. That is the Seminal Law of Rock Criticism. If a recording features densely layered guitars, then you MUST use the phrase sonic cathedrals. Even when it's easy to find out with research, by all means ask a band how they got their name. Please feel free to deny an artist's individuality and say they are the new [x]. If two guitars play a melodic line in harmony, you MUST say they are twin lead guitars. All 101 Rock Critic Laws are accompanied by original illustrations from Ed Fotheringham, beloved Seattle scenester and highly regarded artist who has created album covers for everyone from, well, seminal grunge band Mudhoney to iconic jazz label Verve Records, as well as illustrations for *The Atlantic*, *Vanity Fair*, *The New Yorker* and more, making this book a must-have for music lovers everywhere. A unique appreciation of music writing from one of its own, *Rock Critic Law* irreverently captures all the passion and furor of fandom.

Famous People Who've Met Me Owen Husney, 2018-03-27 *Famous People Who've Met Me* is an outrageous collection of true stories starring oddball characters, behind the scenes gurus, and brilliant superstars in the music business straight out of Minnesota. This unique memoir is a true in-depth character study as told through the eyes of musician, agent, concert promoter, and manager Owen Husney.

Historical Tables Sigfrid Henry Steinberg, 1966

Lightfoot Nicholas Jennings, 2017-09-26 NATIONAL BESTSELLER A 2023 ROLLING STONE RECOMMENDED BOOK Shortlisted for the 2017 Legislative Assembly of Ontario Speaker's Book Award Nominated for the 2018 Heritage Toronto Award - Historical Writing: Book "The preeminent account of the late singer's life." -Rolling Stone The definitive, full-access story of the life and songs of Canada's legendary troubadour Gordon Lightfoot's name is synonymous with timeless songs about trains and shipwrecks, rivers and highways, lovers and loneliness. His music defined the folk-pop sound of the 1960s and '70s, topped charts and sold millions. He is unquestionably Canada's greatest songwriter, and an international star who has performed on the world's biggest stages. While Lightfoot's songs are well known, the man behind them is elusive. He's never allowed his life to be chronicled in a book—until now. Biographer Nick Jennings has had unprecedented access to the notoriously reticent musician. Lightfoot takes us deep inside the artist's world, from his idyllic childhood in Orillia, the wild sixties, and his canoe trips into Canada's North to his heady times atop the music world. Jennings explores the toll that success took on his personal life—including his troubled relationships, his battle with alcohol and his near-death experiences—and the extraordinary drive and tenacity that pulled him through it all. Rich in voices from fellow musicians, close friends, Lightfoot's family and the singer's own reminiscences, the biography tells the stories behind some of his best-known love songs, including "Beautiful" and "Song for a Winter's Night," as well as the infidelity and divorce that resulted in classics like "Sundown" and "If You Could Read My Mind." Kris Kristofferson has called Lightfoot's songs "some of the most beautiful and lasting music of our time." Lightfoot is an unforgettable portrait of a treasured singer-songwriter, an artist whose work has been covered by everyone from Joni Mitchell, Barbra Streisand and Nico to Bob Dylan, Elvis Presley and Gord Downie. Revealing and insightful, Lightfoot is both an inspiring story of redemption and an exhilarating read.

Five Star Music Makeover Coreen Sheehan, Anika Paris, Bobby Borg, Eric Corne, Michael Eames, 2016-03-01 (Music Pro Guide Books & DVDs). In order to achieve success in today's music industry, artists must first do a great deal of work on their own. Learning the required skills can take years of real-life experience, and hiring personal coaches, studio professionals, and consultants can be costly. But now, for the first time, there's an invaluable resource to help you meet these challenges. *Five Star Music Makeover* is an engaging all-in-one guide designed specifically for aspiring artists. Written by five experts with over 100 years of collective experience, both on and off the stage, this unique book covers five key skills every musician needs to succeed: (1) improving vocal production/technique; (2) writing memorable and marketable songs; (3) recording your ultimate EP; (4) navigating the publishing world; and (5) promoting music effectively. Also included are insiders' stories and anecdotes, helpful tips, creative exercises, celebrity interviews, and all the practical expertise necessary to develop a successful music career. *Five Star Music Makeover* is a complete and practical career guide a resource that transforms artists from good to great.

Affective Health and Masculinities in South Africa Hans Reihling, 2020-04-03 *Affective Health and Masculinities in South Africa* explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Sweet Dreams Are Made of This Dave Stewart, 2016-02-09 A no-holds-barred look into the remarkable life and career of the prolific musician, songwriter, and producer behind Eurythmics and dozens of pop hits. Dave Stewart's life has been a wild ride—one filled with music, constant reinvention, and the never-ending drive to create. Growing up

in industrial northern England, he left home for the gritty London streets of the seventies, where he began collaborating and performing with various musicians, including a young waitress named Annie Lennox. The chemistry between Stewart and Lennox was undeniable, and an intense romance developed. While their passion proved too much offstage, they thrived musically and developed their own sound. They called themselves Eurythmics and launched into global stardom with the massively popular album *Sweet Dreams (Are Made of This)*. For the first time, Stewart shares the incredible, high-octane stories of his life in music—the drug-fueled adventures, the A-list collaborations and relationships, and the creative process that brought us blockbusters from Eurythmics like “Here Comes the Rain Again” and “Would I Lie to You” as well as Tom Petty’s “Don’t Come Around Here No More,” No Doubt’s “Underneath It All,” Golden Globe winner “Old Habits Die Hard” with Mick Jagger, and many more. From great friendships and creative partnerships including the group SuperHeavy along with Jagger, Joss Stone, Damian Marley, and A. R. Rahman, to inspired performances and intimate moments in the studio—Stewart highlights the musicians he admires and calls friends, from Bob Dylan, Stevie Nicks, Elton John, George Harrison, and Ringo Starr to Bono, Bon Jovi, and Katy Perry. With a behind-the-scenes look at Stewart’s innovative endeavors that keep him on the cutting-edge of the music business, *Sweet Dreams Are Made of This* is a one-of-a-kind portrait of the creative heart of one of its most gifted and enterprising contributors. With a Foreword by Mick Jagger!

With My Eyes Wide Open Brian "Head" Welch, Carol Traver, 2016-05-17 He left KoRn to help himself. He went back to help others. And along the way, he nearly lost everything. A life-changing spiritual awakening freed Brian “Head” Welch from a stranglehold of drugs and alcohol and prompted him to leave the highly successful nu-metal band KoRn in 2005. What followed was a decade-long trial by fire, from the perils of fathering a teen lost in depression and self-mutilation to the harsh realities of playing solo and surviving the shattering betrayal of a trusted friend. In this intensely inspiring redemption saga, perhaps most inspiring is Brian’s radical decision to rejoin KoRn and reconcile with the tribe of people he once considered family in the metal music scene. Brian returned to his musical roots with a clear head and a devoted heart. Though his story is wild, hilarious, and deeply poignant, the message is simple: God will love you into the freedom of being yourself, as long as you keep the relationship going and never, ever quit.

Cáin Adamnáin Kuno Meyer, 1905

This Bird Has Flown John Kruth, 2015 THIS BIRD HAS FLOWN: THE ENDURING BEAUTY OF RUBBER SOUL FIFTY YEARS ON
Antoine of Oregon : A Story of the Oregon Trail James Otis, 1912 *Antoine of Oregon : A Story of the Oregon Trail*
The author of this series of stories for children has endeavored simply to show why and how the descendants of the early colonists fought their way through the wilderness in search of new homes. The several narratives deal with the struggles of those adventurous people who forced their way westward, ever westward, whether in hope of gain or in answer to the call of the wild, and who, in so doing, wrote their names with their blood across this country of ours from the Ohio to the Columbia. To excite in the hearts of the young people of this land a desire to know more regarding the building up of this great nation, and at the same time to entertain in such a manner as may stimulate to noble deeds, is the real aim of these stories. In them there is nothing of romance, but only a careful, truthful record of the part played by children in the great battles with those forces, human as well as natural, which, for so long a time, held a vast 4 portion of this broad land against the advance of home seekers. With the knowledge of what has been done by our own people in our own land, surely there is no reason why one should resort to fiction in order to depict scenes of heroism, daring, and sublime disregard of suffering in nearly every form.

A Series of Plays Joanna Baillie, 1799

Rockin' the City of Angels Douglas Harr, 2016-11-01 Massive music festivals--Monterey, Woodstock, Altamont--ushered rock 'n' roll into the 1970s, the decade that would feature some of the greatest musical performances of all time. Rock bands were writing increasingly expansive concept albums with sweeping themes, and as venues expanded in tandem with their creative ambitions, they were inspired to create elaborate stage shows as vehicles for their music. Their records promised theater of the mind, and concerts brought these dreams to life. Rock concerts became mega-entertainment experiences, with artists using every available piece of stagecraft -- lights, projections, backdrops, props, and costumes. Musicians created flamboyant personas, delivering high-octane performances characterized by musical virtuosity in over-the-top theatrical spectacles, or just plain rebellious grit. I bore witness to these fantastic concerts in and around Los Angeles, California... the city of angels. This book celebrates more than three-dozen of these incredible tours including key performances by bands such as Led Zeppelin, Queen, David Bowie, Fleetwood Mac, Genesis, Heart, Jethro Tull, Pink Floyd, The Who and Yes. We'll share memories of those legendary concerts and reviews of the best video documents of the era, each band illuminated by a hand-picked collection of brilliant images by the best photojournalists of that time including Richard E. Aaron, Jorgen Angel, Fin Costello, Armando Gallo, Neal Preston, Jim Summaria, Lisa Tanner and Neil Zlowzower along with many others. This is their story, and ours....

Entrepreneurship: Determinants and Policy in a European-US Comparison David B. Audretsch, R. Thurik, Ingrid Verheul, Sander Wennekers, 2006-04-11 Without a clear and organized view of where and how entrepreneurship manifests itself, policy makers have been left in uncharted waters without an analytical compass. The purpose of this book is to provide such an analytical compass for directing how public policy can shape and promote entrepreneurship. We do this in two ways. The first is to provide a framework for policymakers and scholars to understand what determines entrepreneurship. The second is to apply this framework to a series of cases, or country studies. In particular, this book seeks to answer three questions about entrepreneurship: What has happened over time? Why did it happen? And, what has been the role of government policy? The cornerstone of the book is the proposed Eclectic Theory of Entrepreneurship. The goal of the Eclectic Theory is to provide a unified framework for understanding and analyzing the determinants of entrepreneurship. The Eclectic Theory of entrepreneurship integrates the different strands from relevant fields into a unifying, coherent framework. At the heart of the Eclectic Theory is the integration of factors shaping the demand for entrepreneurship on the one hand, with those influencing the supply of entrepreneurs on the other hand. The key to understanding the role of public policy is through identifying those channels shifting either the demand for or the supply of entrepreneurship by policy instruments. The findings in this book show that, by utilizing the framework provided by the Eclectic Theory of Entrepreneurship, it is within the grasp of policymakers to identify the determinants of entrepreneurship in a particular country setting at a particular point in time. This will be essential in formulating new public policies to promote entrepreneurship and, ultimately, economic growth, job creation and international competitiveness.

something to food about Questlove,Ben Greenman,2016-04-12 In somethingtofoodabout, drummer, producer, musical director, culinary entrepreneur, and New York Times bestselling author, Questlove, applies his boundless curiosity to the world of food. In conversations with ten innovative chefs in America, Questlove explores what makes their creativity tick, how they see the world through their cooking and how their cooking teaches them to see the world. The conversations begin with food but they end wherever food takes them. Food is fuel. Food is culture. Food is history. And food is food for thought. Featuring conversations with: Nathan Myhrvold, Modernist Cuisine Lab, Seattle; Daniel Humm, Eleven Madison Park, and NoMad, NYC; Michael Solomonov, Zahav, Philadelphia; Ludo Lefebvre, Trois Mec, L.A.; Dave Beran, Next, Chicago; Donald Link, Cochon, New Orleans; Dominique Crenn, Atelier Crenn, San Francisco; Daniel Patterson, Coi and Loco'l, San Francisco; Jesse Griffiths, Dai Due, Austin; and Ryan Roadhouse, Nodoguro, Portland

It All Begins with the Music Don Grierson,Dan Kimpel,2009 An examination of the various professions in the music business, with examples and interview excerpts of individuals in these fields.
